About CCMT

Centralized Counseling for M.Tech./ M.Arch./ M.Plan./M.Des. (CCMT) is a convenient platform for the students to apply for M.Tech./ M.Arch./ M.Plan./M.Des. programmes, based on their GATE score of years 2015 and 2016, in 30 NITs and reputed Centrally Funded Technical Institutions namely Central University of Rajasthan, Institute of Technology Guru Ghasidas Vishwavidyalaya, Bilaspur, ABV-IIITM Gwalior, IIITDM Jabalpur, IIIT Allahabad, Sant Longowal Institute of Engineering and Technology (SLIET) Longowal, Indian Institute of Engineering Science and Technology (IIST) Shibpur, National Institute of Foundry and Forge Technology (NIFFT) Ranchi, School of Planning and Architecture (SPA) Vijayawada, PEC University of Technology, Chandigarh and IIITD&M Kancheepuram. This centralized system has replaced the older system, wherein students had to apply individually to various Institutes and go to every Institute for appearing in interview/counseling. The older system caused a lot of difficulties to students such as filling multiple applications, travelling long distances to various Institutes across the country and missing some Institutes due to overlapping admission dates. Centralized counseling has provided a system wherein the students can fill one online application form from their homes and apply to all programmes in all the participating institutions to which they are eligible. The overall convenience of students has been enormously increased due to centralized counseling.

The CCMT was successfully organized by NIT Rourkela in the year 2015. This year, CCMT is being organized by NITK, Surathkal. Three new participating Institutes namely PEC University of Technology, Chandigarh, IIITD&M Kancheepuram and NIT Uttarakhand have joined in the centralized counseling.

New features of CCMT 2016

- Fresh registration is required for National Spot Round (NSR) with an advance deposit of Rs.42,000/- (OC/OB) or Rs.11,500/- (SC/ST/PwD), which is not refundable on allotment of seat.
- New applicants are allowed to register for NSR.
- Candidates are not required to visit RC for document verification and locking of choices during NSR.

1. Introduction

Centralized Counseling for M.Tech. / M.Arch./ M.Plan./M.Des. admissions (CCMT) 2016 is an on-line admission process for all National Institutes of Technologies (NITs) and several other Centrally Funded Technical Institutes viz. Central University of Rajasthan, Institute of Technology Guru Ghasidas Vishwavidyalaya, Bilaspur, ABV-IIITM Gwalior, IIITDM Jabalpur, IIIT Allahabad, Sant Longowal Institute of Engineering and Technology (SLIET) Longowal, Indian Institute of Engineering Science and Technology (IIST) Shibpur, National Institute of Foundry and Forge Technology (NIFFT) Ranchi, School of Planning and Architecture (SPA) Vijayawada, PEC University of Technology, Chandigarh and IIITD&M Kancheepuram. These are the premier institutions of the country, under the aegis of Ministry of HRD, Government of India, for imparting world class technical education. As decided by the Core Committee, Counseling for centralized admission to postgraduate programs in all these Institutes will be starting from 2nd week of April, 2016. CCMT will coordinate admission to PG programmes in engineering, technology and architecture in respect of above mentioned Institutes hereinafter called '**Participating Institutes**' (PIs).

Important features of the admission procedure, admission schedule, list of reporting centers (RC), list of Participating Institutes (PIs), seat distribution and eligibility matrix of the participating Institutes, academic calendar and fee structure of participating Institutes, fee refund rules, and contact addresses etc. are given in this brochure. Candidates are advised to read this brochure carefully and visit the website <http://ccmt.nic.in> regularly for updates and other details regarding the entire online admission process.

The counseling process consists of three stages:

A. Online Registration, Choice Filling and Locking of Choices: In this process, all candidates eligible for central counseling should register themselves by paying the requisite registration fee for counseling through the CCMT website during the specified period given in the Schedule (Section 5.7) from the places convenient to them. During the registration process, candidate needs to pay the registration fee online using the SBI MOPS (Net Banking/ Credit Card/Debit Card or through e-Challan), during the specified period given in the Schedule (Section 5.7). After registration fee payment, the candidate will be able to exercise their programme choices across all Participating Institutes on CCMT website using the Internet during specified period given in the Schedule (Section 5.7). Candidate may take assistance of the Help Centers (<http://ccmt.nic.in> → Reporting Centers and Help Centers) for registration and choice filling.

B. Online Seat Allotment, Seat Acceptance fee deposit and Personal Reporting at a Reporting Center: Candidates will be offered seats based on their choices in the order of merit (see - Rules for deciding merit) over multiple rounds of allotment-process. Candidates who are allotted a seat (i.e. offered admission) will have to deposit seat acceptance fee (Rs 20,000) using SBI MOPS (Net banking / credit card/ debit card or through e-Challan), and then personally report to any one of the 'Reporting Centers' (<http://ccmt.nic.in> → Reporting Centers and Help Centers) as per the schedule given in the brochure during the specified time frames, failing which their admission will be **cancelled**. Candidates have to produce their original documents for verification, submit photocopy of documents and proof of the Seat Acceptance Fee payment to mark their acceptance of the offer of seat and exercise "WILLINGNESS CHANGE" (described later). On satisfactory verification of all relevant documents and having paid the Seat Acceptance Fee, candidate will be issued a Document Verification Certificate (DVC).

C. Getting Admitted to 'Allotted Institute': All the candidates who have been allotted seats and reported at any RC during any of the three rounds (i.e. 1st, 2nd, or 3rd round) have to complete the provisional seat confirmation process by paying seat confirmation fee (Rs 10,000) from own computer through SBI MOPS (i.e., Net banking/Credit Card / Debit Card or e-Challan at any branch of SBI) as per the schedule given in Section 5.7. The balance fees with respect to allotted Institute have to be paid to the respective allotted Institute at the time of admission. For the actual Institute fee please refer to the respective Institute website. After paying

the seat confirmation fee, the students can download the Provisional Seat Confirmation letter from the CCMT website before the last date as per the schedule given in Section 5.7. The candidates may then directly proceed to the respective allotted Institutes with the original documents (as mentioned in Section 6.4.1), Document Verification Certificate (DVC) signed by the RC officials and the provisional seat confirmation letter downloaded from CCMT website for taking the final admission and attending the classes as per the academic calendar of the respective Institute. The candidates are advised to look at the website of the allotted Institute from time to time for updated information related to the Institute fee/starting of classes etc. at the allotted Institute. For the candidates who are allotted seats in NSR, the detailed process is given in Section 7.4.

In case of any dispute arising out of the counseling process up to the final allocation of Institution and / or programme, the decision of Chairperson, CCMT-2016 shall be final. The jurisdiction for legal disputes, if any, will be limited to the High Court of Karnataka at Bengaluru only.

For smooth and flawless admission procedure, it is advised that candidates should carefully follow the admission procedure given in this brochure. The procedure offers enough flexibility at every round of allotment and candidates are supposed to cooperate by not prolonging their final decision on admission after seat allotment. This will facilitate in catering to the needs of larger number of candidates seeking admission through CCMT.

This counselling is not for candidates seeking admission to Sponsored and Part Time seats. They should contact the respective Participating Institutes for the admission.
