Do you have zeal & passion for becoming an excellent & professional teacher ?
IITE, Gandhinagar is the university to achieve all these you desire for.

SAVE ONE YEAR

B.Sc.B.Ed. / B.A. B. Ed. (English medium) in four years (recognised by UGC & NCTE)

Nurturing the teachers of tomorrow

Indian Institute of Teacher Education, Gandhinagar (IITE) is a state university established by an act of government of Gujarat. IITE offers four year integrated B.Sc.B.Ed. & B.A.B.Ed. courses recognised by NCTE. IITE known as one of the best destinations for teacher education aims at nurturing teachers of tomorrow.

Advantage:

- Fully residential programme with hostel facility.
- The only of its kind programme in Gujarat.
- An integrated degree equivalent to two bachelor degrees in four years.
- Four years of intensive, rigorous education in respective academic subject & teacher education.
- Extensive training and continuous evaluation.
- Bridge courses for competency enhancement.
- Specially designed to develop competencies as a teacher.
- It saves one year

Advantage:

- Holistic learning experience with strong emphasis on foundation and core courses.
- Provides internship and placement opportunities
- Exposure through study trips.
- Emphasis on school interface and interaction with leading teachers.
- Opportunity to visit offshore institutes
- Scope of cross cultural training
- Equal focus on skill development & training

Focus on skill development and training not only as a teacher but also as an administrator of schools.

Following specially designed courses to be taught additionally through the eight semesters:

- **Communication Skill Course.**
Communication is a key for effective class room teaching. Developed by leading experts of the field this is a unique programme for enhancing teachers professional capacities.
- **ICT Skill Course.**
The effective integration of ICT in the school and classroom can both transform pedagogy and empower students. It is important that teachers are able to successfully weave technology into learning projects. This course is designed to help you further develop your competency and confidence in the use of ICT.
- **School Management Course (Entrepreneurship Programme)**
The aim of this course is to develop essential skills, competencies and values needed for effective school leadership management. This course will help students to understand how to create an effective and enabling environment in the school, how to improve the overall performance of the school, how to develop into a trained and competent leader. The focus in this course would be on school based projects and assignments.
- **Classical Dance / Theatre / Classical Music.**
Dance, drama, music help improve one's own personality and keep you calm, happy and focused in life. The student will be offered one such course of his / her choice.
- **DIPTI (Developing Integral Personality Through Innovations) course**
The focus of this course will be churning out healthy, well mannered, courteous, courageous citizens.

Prospectus

Information about Institute and General Instructions for the candidates

1.0 Introduction:

Indian Institute of Teacher Education is the university established by Govt. of Gujarat by passing an act in Gujarat Legislature Assembly in the year 2010. The university is established with an objective of training prospective teachers professionally and to help them becoming effective and efficient teachers to serve the humanity in general and society in particular.

The following are objectives and vision and mission of the University:

OBJECTIVES

- To evolve and implement a new program of teachers' education that would provide education and training to prospective teachers that aim at development of new integral development of teachers.
- To train prospective teachers based on globally benchmarked curriculum with ideas gleaned from the fusion of the intellectual traditions of India and the West.
- To equip teachers with the competencies requisite for dealing with the 21st century issues of the choices and challenges of students.
- To impart teacher training which enables the prospective teachers to see the obtaining world in the new light of universal human values.
- To promote the indigenous tradition of teacher-student relationship (Guru-Shishyaparampara) in various fields of humanities, arts, crafts, sciences, technologies and yoga (psychological and physical education).
- To publish and disseminate results of advanced research relating to teachers' education for purposes of advancement of capacities to teach and learn among professional teachers as also among parents, social educators and social workers.
- To promote national and international cooperation in teachers' education as also in the development of teaching-learning material through online programs, documentaries, musical and dramatic programs and films.
- To undertake, conduct and promote any program that will enhance the highest aims of pedagogy and synthesis of knowledge-systems and internationalism.
- To foster in the University highest purposes of education of the body, life and mind as also of the human spirit in its integrity.
- To introduce and nurture innovations in the education system so as to reflect India's spiritual knowledge, robust intellectuality and inexhaustible creativity.

OUR VISION

To create teachers of tomorrow with the transformative knowledge of Indian tradition and usher in a new era of teacher education, focusing upon the integral development of teachers.

OUR MISSION

To provide integrated courses in teacher education, marked and defined by value-education, global outlook, and interdisciplinary.

2.0 Course or Programme for Teacher Education:

This course is innovative integrated teacher education course. It has been envisioned by Late (Dr.) Keerit Joshi, then Advisor to then Chief Minister and Prime Minister of Republic of India, Shri Narendra Modi. It is four years integrated **B.Sc., B.Ed.** and **B.A., B.Ed.** Programmes, approved and recognised by NCTE.

3.0 Intake of the Course:

- a) B.Sc., B.Ed.: 50 Seats
- b) B.A., B.Ed.: 50 Seats

Reservation policy as per the norms of the Gujarat Government.

4.0 Structure of the Course:

This is a compulsorily residential programme where students have to live in hostel of the university. Medium of Instruction and Examination will be English Only.

This course is structured to cater the need of Senior Primary and Secondary Schools where the subjects are general in nature and students have to learn basic and fundamental concepts in the fields of Maths, Science, Languages and Social Sciences. So the core element of the course is based on primary concerns of teacher education and subjects within.

The B.Sc., B.Ed. course is offered in two different combinations, they are PCB and PCM. PCB means Physics, Chemistry and Biology for (AB and B group of Science stream at 12th level) whereas PCM means Physics, Chemistry and Maths for (AB and A group of Science stream at 12th level).

It means candidate who has passed 12th Science examination in AB and B Group can opt for PCB, whereas AB and A Group can opt for PCM.

The candidates who have passed 12th Common Stream Examination with English can apply for B.A., B.Ed. Course and language groups and social science group will be part of their curriculum.

Skill course structure:

Communication skill course	Will be taught throughout eight semesters
