## 1. INTRODUCTION

The Government of India established the National Board of Examinations (NBE) in 1975 with the objective of improving the quality of the Medical Education by establishing high and uniform standards of postgraduate examinations in modern medicine on an all India basis and utilizing existing infrastructure for capacity building.

NBE at present conducts postgraduate and postdoctoral examinations in approved specialties leading to the award of Diplomate of National Board. The Medical Council of India has laid down standards for postgraduate examinations conducted by various medical colleges and affiliated to concerned universities and other institutions, yet the levels of proficiency and standards of evaluation vary considerably in these institutions.

The Examinations conducted by NBE provide a common standard and mechanism of evaluation of minimum level of attainment of the knowledge and competencies of medical specialists. Moreover, intra country and international comparisons are facilitated with the availability of common evaluation mechanism.

## RECOGNITION OF DNB QUALIFICATIONS

The Nomenclature of the qualification awarded by the National Board of Examinations is “Diplomate of National Board”. The list of recognized qualifications awarded by the Board in various Broad and Super specialties as approved by the Government of India and included in the First Schedule of IMC Act 1956 is as at Annexure A.

As per the Indian Medical Council Act 1956; the power to recognize medical qualification and determine their equivalence rests with the central government.

The Diplomate qualifications awarded by the National Board of Examinations are equated with the postgraduate and post doctorate degrees awarded by other Indian Universities for all purposes including appointment to teaching posts as lecture/Assistant Professor by the Government of India, Ministry of Health and Family Welfare; vide their notifications issued from time to time.

The holders of Board’s qualification awarded after an examination i.e.

DNB are eligible to be considered for specialist’s post/faculty in any Hospital including a training/teaching institution on a teaching post/ as a faculty member.

Diplomate National Board qualifications are well recognized and accepted as high standard specialist qualifications.

### Format of PDCET

#### 1. Is there a new testing format for PDCET?

Yes, starting from the November 2012 administration, the Diplome of National Board Post Diploma Centralised Entrance Test (PD-CET) has changed from a paper and pencil test to a computer-based test (CBT). This is not an Internet-based test, i.e. a candidate does not take the test over the Internet. Instead of reading the questions from a paper booklet and darkening the ovals in an answer sheet, a candidate will now read the questions on a computer screen and choose an answer by using a mouse to click on the appropriate option.

#### 2. How is the computer-based format different from the paper and pencil format?

The only difference is in the way the questions are presented, and how responses are recorded.

#### 3. What does a computer-based exam look like?

A Demo Test will be made available on the NBE website <http://www.pdcet.natboard.edu.in/> to provide candidates with the look and feel, as well as functionality of the actual exam.

#### 4. Can I take the exam from any computer?

No, a candidate will have to take the exam on a pre-assigned workstation, in the testing venue chosen by him/her during the time of registration & scheduling.

### Exam Duration & Pattern

#### 1. What is the duration of the exam?

The exam duration is 3 hours and will be conducted in a single session. There will also be an additional 15-minute tutorial prior to the start of the exam. Candidates will also need to accept a non-disclosure agreement (NDA) before beginning the exam.

#### 2. How many questions will there be?

There will be a total of 300 questions.

#### 3. Can I move back and forth between the questions?

Yes, candidates will have the option to navigate between the questions via the Review Screen. Candidates are advised to make use of the Demo Test on the NBE website <http://www.pdcet.natboard.edu.in/> to familiarize themselves with the navigation and functionality of the actual exam. A 15-minute tutorial will also be available prior to the start of the actual exam.

#### 4. What type of questions will there be?

The exam will only contain multiple choice questions, each with four (4) options and only one (1) correct response.

**5. What is the syllabus / course on which the exam would be based?**

The standard of the examinations shall be at the level of Final MBBS (Exit Examination)

**6. What is the 15-minute tutorial?**

The tutorial provides a series of screens that will orient you to the computer-based DNB-CET. This will give you an opportunity to try the various features, including how to navigate between questions, review them, select, de-select, change and mark responses etc. The tutorial has a total duration of 15 minutes and candidates are advised to go through it entirely before starting the actual exam. At the end of the tutorial, candidates will be asked to accept a non-disclosure agreement (NDA) before beginning the exam. For a similar preview, candidates can take a tour of the Demo test which will be available on NBE website at <http://www.pdcet.natboard.edu.in/>.

**7. What is the Demo Test?**

The Demo test is a sample computer-based test that is intended to familiarise candidates with the navigation and functionality of the DNB PDCET. It includes a tutorial on using the various features of the exam like moving between screens, selecting, de-selecting, marking and reviewing responses etc., as well as some sample questions which will allow candidates to try out these features. Note that these sample questions are not representative of the content or difficulty level of the actual exam.

**Registration & Scheduling**

**1. When will the next DNB-PDCET be conducted?**

Yes, you need to limit each address line to 30 characters including spaces. You may make use of Address line 1, 2 and 3 in case of longer addresses. Special characters are acceptable.
11. **What happens after I've submitted my online application?**  
At the end of Registration, the applicant will get a computer generated acknowledgement at the registered email id of the applicant. Admit card will be issued to candidate once the registration and scheduling has been successfully completed. Candidate is required to print a copy of admit card and affix a latest passport size photograph. Candidates may also log on to the PDCET website <http://www.pdcet.natboard.edu.in/> to download and print a copy of their Application form. The Admit Card will specify the Application Number / Testing ID of the Candidate.
12. **If I have made any mistake(s) while registering for DNB-CET, can I make changes later to rectify?**  
If you make mistakes while entering your application data, you may log back in to the PD-CET registration and scheduling website via [www.natboard.edu.in](http://www.natboard.edu.in) and select Edit Profile to make changes to your personal details such as address or Edit Application to make changes to your application data such as educational information. For security reasons, editing of candidates full name and username will not be allowed. The ability to edit application profile and application details will be available until the end of the registration window i.e. until 11:59 PM IST on **22 October, 2015**. Note that if you make any changes to your profile or application details, you will need to print and carry the most recent Admit Card.

To

The Health Secretaries of all States/U.T.s

Sub: D.N.B. qualification awarded by the National Board of Examinations-  
Equivalence of Board's qualification for appointment as teachers-

Regarding

Sir,

I am directed to invite your kind attention to this Ministry's letter No. V.11025/6/94-ME(UG), dated 2.10.1994 (copy enclosed) on the above mentioned subject wherein it was stated that due importance to NBE qualifications may be given and the same may be treated at par with MD/MS degrees of Indian Universities or all posts, including teaching posts as National Board of Examinations is an autonomous body directly under the control of the Central Government and is keeping high standard of medical education. It was also provided therein that for teaching appointments in Broad specialities, the holder of Diplomate NBE should have at least one year teaching experience as Tutor/Registrar / Demonstrator or equivalent post in a recognized medical college imparting undergraduate training to be eligible for appointment as Lecturer, and the holder of Diplomate NBE in Super-Specialities is required to undergo training for two years in a recognized medical college having recognized postgraduate medical degree in the concerned speciality to be eligible for appointment as Lecturer.

2. The Government has reviewed in detail the issue of the above requirement of additional one/two years teaching experience for DNB degree holders for appointment as Lecturer in Broad Specialities/Super-specialities. After taking into consideration all facts of the matter, the Government has come to the conclusion that for the purpose of appointment of DNB degree holders to the teaching posts, the requirement of additional one/two years teaching experience as stipulated in the above instructions dated 3.10.1994 needs to be discontinued. Accordingly, these instructions stand amended to this extent.

3. It was also brought to the notice of this Ministry that some of the employing organizations are not considering the medical qualifications awarded by the National Board of Examinations as equivalent to MD/MS, DM/M.Ch. degrees awarded by various other universities for appointment to various posts. The advertisements issued for specialist/faculty positions by various recruiting agencies thus do not invited applications from the holders of the DNB qualifications. As clarified in the above instructions dated 3.10.94, it is reiterated that the medical qualifications awarded by NBE are recognized qualifications included in the First Schedule to IMC Act, 1956 and are considered at par with MD/MS,DM/M.Ch qualifications of other universities.
4. It is therefore requested that the above position may please be brought to the notice of recruiting agencies under your control that while advertising for various positions for which MD/MS, DM/M.Ch. qualifications are required, it may also be specifically mentioned therein that those candidates possessing the DNB qualifications are also eligible to apply for such positions. Further, in view of the above decision to discontinue the requirement of teaching experience of one/two years for those having Diplomate NBE qualifications in broad/super-speciality disciplines for appointment to teaching posts, the candidates possessing the DNB qualifications may be considered for appointment to teaching posts as Lecturer in speciality/ super speciality disciplines without insisting on the additional teaching experience.

Yours faithfully,

Sub : NBE qualifications awarded by the National board of Examination-Equivalence of

Sir,

I am directed to say that medical qualification awarded by the National Board of Examinations are included in the First Schedule to the Indian Medical Council Act, 1956 and are considered at par with Postgraduate Medical qualifications of the Indian universities. However, it has been brought to our notice that employing organizations are not recognizing these degrees at par with MD/MS degrees of other universities. As the National Board of Examinations, an autonomous body directly under the control of the Central Govt., is keeping high standard of medical examinations and it is requested that all concerned may please be instructed to give due importance to NBE qualifications and treat them at par with MD/MS of Indian Universities for all posts, including teaching post.

The Medical Council of India while considering the question of equivalence of MAMC/MNAMS/Dip. N.B. qualification awarded by the National Board of Examinations with M.D./M.S. and D.M./M.Ch. qualifications granted by the university/medical Institutions, has adopted the following recommendation, which was circulated to all the authorities concerned by the Council on 6.12.93 for information and necessary guidance:

It is recommended that for teaching appointments in the broad specialities the holder of Diplomate NBE should have at least 1 year teaching experience as Tutor/Registrar/Demonstrator or equivalent post in a recognized medical college imparting undergraduate teaching and training for appointment as Lecturer. Regarding the candidates holding Diplomate NBE in super specialities, the training shall be for 2 years in a recognized medical college having recognised postgraduate medical degree in the concerned speciality for appointment as Lecturers”

It is requested that the above may please be brought to the notice of all recruiting agencies under control for information and compliance.
