SRI BALAJI VIDYAPEETH

DEEMED UNIVERSITY

ESTABLISHED UNDER SECTION 3 OF THE UGC ACT, 1956.
ACCREDITED BY NAAC WITH 'A' GRADE.

MAHATMA GANDHI MEDICAL COLLEGE AND RESEARCH INSTITUTE
SHRI SATHYA SAI MEDICAL COLLEGE AND RESEARCH INSTITUTE
INDIRA GANDHI INSTITUTE OF DENTAL SCIENCES

Dear Doctors

Welcome to the pearl of Pondicherry... Sri Balaji Vidyapeeth. Now you are embarking on a very exciting and prospective stage of your career as you enter Postgraduate Medical & Dental Education, here.

What will enable a man to be recognised as an eminent specialist? Only his acquisition of academic distinctions through a school, which is a tool that he uses to acquire sound knowledge. For he chooses his choicest institution where he enjoys the excellent learning experience, the training and the tools to do independent research, to evaluate data, to criticize, to interact and to express in language and visual forms what he discovers.

Our unique world of education serves as a role model for the past 14 years for its commitment to quality education, integration, innovation and evidence-based educational practices.

Our postgraduate educators are examples that knowledge can be passed on inspiringly, effectively and fruitfully and are dedicated to their core. Their efforts and contributions are applaudingly reflected in the academic results-the success of students and continuing reputation of the Sri Balaji Vidyapeeth. Wishing you an excellent career, I look forward to your contribution as a patriotic indian in building a healthy nation.

With Best Wishes,
M.K. Rajagopalan
Chairman

Introducing SBV University Young, Modern & Marching Ahead

Sri Balaji Vidyapeeth is a young University, proud of its modernity, yet grounded in rich educational heritage. The University aims to excel in academic and clinical medicine; research and training; nurturing passion and enthusiasm into achievement and theoretical knowledge into evidence based practice and research.

The University was granted 'Deemed University' status by the University Grants Commission of India (UGC) under section 3 of the UGC Act of 1956 in 2008, in recognition of its outstanding quality of education and potential for excellence. SBV University thus enjoys complete autonomy to develop and implement innovative curriculum and academic programs and to design its own education process that is responsive and tailored to the evolving needs and changes of medical science. The university is Accredited by NAAC with 'A' Grade.

The University's constituent colleges and courses are all duly accredited and recognised by the respective statutory bodies such as the Medical Council of India, Dental Council of India and the Indian Nursing Council. Graduates of SBV University are eligible to register with any state council or pursue further education in any part of India. Further, SBV ensures that its programs and courses are recognised internationally, by registering under appropriate provisions of various statutory and registration authorities around the world to enable its graduates the right to qualify for practice in any nation, including appearing for USMLE, (USA) PLAB, MRCP/MRCS/etc (UK) / MCCQE (Canada) / AMC (Australia) / CGFNS / NCLEX (Nursing, USA) etc.

SBV is a research oriented university and pledges considerable resources and investment for Biomedical Research. The University's research output has been consistently high in quality and impact, evident from its rapidly growing research publications record. This cutting edge research and innovation at SBV inspires our students, a fact attested by the region-wise lead position in number of ICMR sponsored research projects (STP) undertaken and accomplished by our students.

The University strives constantly to break new grounds, push the boundaries and overcome barriers, in every endeavor that it undertakes, thanks to our outstanding talent of seasoned clinicians, exceptional teachers and motivated researchers.

Every year is a year of accomplishments as we attain our targets, setting newer goals and constantly renewing our commitment to better medical training, scientific research and clinical practice. Our University is governed by an enlightened collegium of eminent scholars, clinicians and scientists, headed ably by Our visionary Chairman, Shri. **M.K. Rajagopalan**, Professor **Rajaram Pagadala**, Chancellor, Medical Educationist Professor **K.R. Sethuraman**, Vice-Chancellor. renowned surgeon, Professor **N. Ananthkrishnan**, Dean Research and Postgraduate Studies; Professor **Dr. Mohanasundaram. J** Dean, SSSMCRI; Professor **Usha carounanidy**, Principal, IGIDS; providing leadership and stewardship towards excellence.

Focussed & In-depth POST GRADUATE TRAINING

STIMULATE LEARNING: By providing optimal infrastructure and conducive facilities

SBV is where future healthcare leaders will be trained; not just on the Clinics, but in research leadership, management and health industry.

SBV's Post graduate training curriculum in Medical, Surgical, Dental and Nursing Specialties encompasses years of intensive and rigorous specialty training and surmounts the depth and breadth of knowledge, scientific research attitude, practical skills and ethics & quality patient management that is needed to practice as a Specialist.

All hospitals of the Institutes of SBV offer tertiary level care with major super specialisations represented and well attended and received by the target Community. This patronage assures our PGs, a thorough, holistic and extensive exposure to diverse clinical situations of all complexities for optimal learning experiences.

Enlightened PG Curriculum & Philosophy

The goal of the SBV Post graduate training curriculum is to provide a challenging and engaging experience. The PG courses are designed to provide progressively increasing operative and patient care experience and responsibility in clinical sciences; research experience in the latest research methods and practices, allied clinical experience for para/pre clinical sciences and an overall emphasis on the Post graduate trainee as the center of the learning model which parallels the idea of the concept of the PATIENT FIRST in our hospitals.

The Curriculum recognises that each Post-grad is an independent learner able to direct her/his own educational needs and goals and strives to provide optimised guidance, reinforced critical skills and decision making capabilities for core competence, strategic feedback with emphasis on outcomes.

Quality & Innovation

You will experience innovation and quality improvements throughout the PG programme. Innovation underpins our contemporary curriculum and our development and enhancement of the PG programme. Embedded in all our PG programmes are opportunities for learning the approaches and ways to think about quality improvement within current Medical / Dental practices, which is a necessary skill for all healthcare practitioners working in modern healthcare services.

MAHATMA GANDHI MEDICAL COLLEGE AND RESEARCH INSTITUTE

at SBV Campus, Pondicherry, on Pondicherry - Cuddalore East Coast Road.

STIMULATE LEARNING: By providing optimal infrastructure and conducive facilities

Mastering Multiple Competencies

The College with its modern infrastructure provides a world class ambiance for a well paced training programme in post-graduate courses based on regularly revised curriculum of Sri Balaji Vidyapeeth. The University is Accredited by NAAC with 'A' Grade. The Institution prepares young specialists / future clinicians, academicians and scientists who are organizationally effective, obsessively dedicated, dynamically innovative, psychologically emphatic and personally caring with a passion for professional ethics, research, quality treatment and community oriented goals. The PG programme combines hands on training with firm academic knowledge grounding and real world exposure, experience and challenges that they will encounter during their study.

The goal of our PG programme is to produce not only competent specialists, but also to empower them with mastery of contemporary advances in their specialties with a spirit of scientific inquiry and orientation to research methodology.

Leadership in Healthcare

The high quality teaching and research conducted at our institutions allows the quality of care provided to the patients we treat to be at the forefront of best clinical practice throughout India.

Achieving some of the best outcomes in the region for our patients, our Hospitals have received recognition for their excellence not only in teaching and patient care, but also in healthcare leadership & clinical governance. For example, The University, in collaboration with the Royal College of Physicians and Surgeons of Glasgow, hosted PATIENT FIRST - an International Conference on Patient Safety and Quality Assurance in Healthcare in November 2012 to disseminate the emerging concepts of patient centered healthcare system, with principles of quality assurance to be followed by other Hospitals and Healthcare Institutions internationally.

The Simulation Centre is recognised by American Heart Association (AHA) as an International Training Centre.

SHRI SATHYA SAI MEDICAL COLLEGE AND RESEARCH INSTITUTE

at Ammapettai, on Tirupurur - Guduvancherry Main Road, 45 Km from Chennai Airport and enjoys proximity to both Chennai and Mahabalipuram.

STIMULATE LEARNING: By providing optimal infrastructure and conducive facilities

Shri Sathya Sai Medical College and Research Institute –Leading the evolution with emerging technologies.

Painted skillfully on the canvas of a picturesque location, Shri Sathya Sai Medical College and Research Institute, the heart beat of nearly 70 villages, is situated at Ammapettai in 150 acres of sylvan surroundings.

Just an hour drive from bustling Chennai, the capital of Tamilnad and 30 minutes drive from historically famous Mahabalipuram, Shri Sathya Sai Medical College and Research Institute, a benchmark for remarkable quality education and discipline, has been in the cultivation of budding medicos for the betterment of mankind.

Shri Sathya Sai Medical College and Research Institute has niched itself a laudable name in inspirational and novel coaching because of its excellent academic gurus with six sigma skills.

Utilizing an innovative approach to education that is both immersive and project-based, our University, Sri Balaji Vidyapeeth's PG programs are designed to reflect the present needs of the health world and industry. The University is accredited by NAAC with 'A' Grade.

The Institution has such amazing team of amicable academic gurus who encourage students to explore their own field of interest and passionate goal envisioning their bright and vibrant future.

Shri Sathya Sai Medical College and Research Institute has a rich tradition of working with local communities for the promotion of health and hygiene in the surrounding villages through collaborative activities and programs that involve our faculty, staff and students.

It is not where students get just education, but where they care and understand students...like their parents.

In short at Shri Sathya Sai Medical College and Research Institute you will enjoy ... Academic Excellence... Unique Learning Experience... Amalgamation of Different Cultures... Problem Based Practical Learning... and an Enchantingly Exhilarating Environment.

INDIRA GANDHI INSTITUTE OF DENTAL SCIENCES

at the SBV Campus, Pondicherry, on Pondicherry - Cuddalore East Coast Road.

ABOUT IGIDS AND HOW IT SUPPORTS YOU TO REALIZE YOUR GOALS

It is located in the sprawling Mahatma Gandhi Medical College & Research Institute campus of Sri Balaji Vidyapeeth University. The University is accredited by NAAC with 'A' Grade. The dental college is beautifully incepted in 6 acres of area, 1,50,000 sq.ft majestic building with highly sophisticated infrastructures. Our state of the art dental hospital with all of clinical departments, labs with latest imported equipments, experienced staff and above all the overflowing clinical materials, compliment our modern approach to teaching and learning, thus opening the door to a world of opportunity for the ambitious doctors to enter their specialist area and realize their goal. The experienced and dedicated faculty members from all over India, form a team with innovative ideas and boundless vision. They would indubitably enrich upcoming dental professionals with core and the latest knowledge that will alchemise them as the best among future specialist.

RECOGNITION AND APPROVAL

INDIRA GANDHI INSTITUTE OF DENTAL SCIENCES is brought under the ambit of Sri Balaji Vidyapeeth vide notification No. F-9 53/2005-4.3 dated 20th July 2009 by Ministry of Human Resource development, Govt of India, New Delhi. The institution is recognized by Dental Council of India and Ministry of Health and Family Welfare, New Delhi and 8 specialty courses at PG level have been approved with 3 seats in each.

RESEARCH

All students are exposed to research work and publication. They are encouraged to participate and present papers, at seminars, workshops and conference. Also conducting CDE workshops, seminars and conference at Regional, National and International levels has been a regular event. Eminent and renowned Dental specialist and Scientists belonging to various scientific field of study are called upon for guest lectures to gear up the scientific temper in the minds of the student society. Dental education unit and scientific and academic forum conduct regular meetings to provide the post graduates/ interns a platform to present their rare case reports to the elite members of dental fraternity.

MEDICAL HOSPITAL

The dental college is attached to Mahatma Gandhi Medical College & Research Institute with a state of the art 1180 bedded free teaching hospital with an average of 3000 clinical materials a day. This medical institute will facilitate training to the BDS and MDS students and 70 beds are exclusively allotted for dental college of PG programme in the oral maxillofacial surgery.

Research is Top Priority at SBV

- ▶ At SBV, research is essential to improving patient care. We are focused on Research as one of our core competence.
- ▶ SBV's constituent colleges are research oriented and focus on training their students to be healthcare Leaders in Fundamental, Transnational and Applied Research.
- ▶ SBV's constituent college researchers are actively involved in studies that evaluate potential treatments, evolving new modalities, methods and outcomes of clinical care.
- ▶ The Central Inter-Disciplinary Research Facility (CIDRF) of SBV, setup at a cost of over 15 crores is one of its kind in the entire country.
- ▶ The CIDRF promotes advanced research in emergent areas such as stem cells, biologics, etc by providing researchers with state-of-the art facilities.
- ▶ Research at SBV covers all the broad domains.

Research Excellence

We facilitate world-leading research across all constituent colleges, hospitals and departments, with an impressive track record in initiating exciting and innovative interdisciplinary collaborations.

Our Researchers and Scholars have an enviable record of high impact publications in leading scientific journals, both national and international. A number of our faculty are well recognised, renowned experts in their respective domains

- ▶ AHA recognised International Training Centre (Skills Lab)

The following post graduate Medical Education programs are offered in SBVU

MGMCRI

MD Courses

- General Medicine
- Anaesthesiology
- Dermatology, Venereology & Leprosy,
- Paediatrics
- Psychiatry
- Radio-diagnosis
- Tuberculosis & Chest Diseases

MS Courses

- General Surgery
- Ophthalmology
- Orthopaedics
- ENT
- Obstetrics & Gynaecology

Pre-clinical Courses

- MS Anatomy
- MD Physiology
- MD Bio-Chemistry

Para-clinical Courses

- MD Pathology
- MD Pharmacology
- MD Microbiology
- MD Community Medicine
- MD Forensic Medicine

PG Diploma - Courses

- Anaesthesiology (D.A)
- Child Health (D.C.H.)
- Dermatology, Venereology & Leprosy (D.D.V.L)
- Obstetrics & Gynaecology (D.G.O)
- Ophthalmology (D.O)
- Orthopaedics (D.ORTHO)
- Psychiatry (D.P.M)
- Radio-diagnosis. (D.M.R.D)
- Tuberculosis & Chest Diseases (D.T.C.D.)
- ENT (D.L.O)

The post gradate Dental programs(MDS) are offered in following specialties

IGIDS

- Orthodontics and dentofacial orthopedics
- Conservative dentistry and endodontics
- Prosthodontics and crown and bridge
- Oral and maxillofacial surgery
- Paedodontics and preventive dentistry
- Oral medicine and radiology
- Oral pathology and microbiology
- Periodontology

SSSMCRI

Clinical Courses

- M.D General Medicine
- M.D Anaesthesiology
- M.S Orthopaedics
- M.D Paediatrics
- M.D Tuberculosis & Chest Diseases

L.O.P RECEIVED

SSSMCRI

Clinical Courses

- M.D Dermatology, Venereology & Leprosy
- M.D Radio Diagnosis
- M.S General Surgery
- M.S Ophthalmology
- M.S E.N.T

AWAITING APPROVAL

SSSMCRI

Para-Clinical Courses

- M.D Pathology
- M.D Pharmacology
- M.D Microbiology
- M.D Community Medicine
- M.D Forensic Medicine

Eligibility Criteria

Program	Duration	Age Limit	Requirement
M.D / M.S	3 Years	No upper age limit	MBBS from a recognized university
Diploma	2 Years	No upper age limit	MBBS from a recognized university
MDS	3 Years	No upper age limit	BDS Degree from a recognized university

Candidates should have completed their M.B.B.S internship by 30 .04. 2016

Candidates should have completed their BDS internship by 31 .03. 2016

FACILITIES AND AMENITIES - library

Our unique modern library is fully automated with sophisticated library management software, providing an excellent source of support for the student as well as the academic community in their educational and research programs with our exhaustive storage of books, encyclopedias, in addition to a wide range of electronics resources..digital library with extensive collection, internet / multimedia, on line e- journals/ catalogues facility and comforts of separate reading and seminar halls.
