Chancellor's Message

Welcome to Symbiosis International University

You will be happy to know that SIU has been accredited by National Assessment and Accreditation Council (NAAC) which is an autonomous body of University Grants Commission (UGC) with highest Grade 'A'. This is a rare achievement of which all of us should be proud.

The undergraduate programmes of SIU will ensure you of bright future and empower you to pursue post graduate courses with confidence.

Wish you all the best in Symbiosis.

Dr. S. B. Mujumdar

Principal Director's Message

The Symbiosis Entrance Test (SET) is a test conducted by the Symbiosis International University's Test Secretariat to judge the aptitude of the student for particular Programmes.

This test is conducted in many cities for the convenience of students and parents too.

This one single test makes you eligible for all Under Graduate programmes of Symbiosis. I wish you all the best and welcome you to be a part of the Symbiosis family.

Dr. Vidya Yeravdekar

Vice Chancellor's Message

Symbiosis International University (SIU) is one of the most sought after destinations for Indian and international students, which has gained reputation for commitment to high quality learning and teaching. The beautiful sprawling 360 acres campus at Lavale, several campuses in Pune and other cities attract students from different regions, ethnicity and cultures and provide a vibrant and symbiotic ecosystem.

SIU is a forward–looking, globally competitive education enterprise where enquiry, investigation and innovation are encouraged and nurtured. The academic programmes aim at imparting interdisciplinary knowledge with a broader vision, compassion, value systems and critical awareness of national and global issues. With collaborative networks of several Universities from different parts of the world, SIU provides very conducive, interactive, inspiring environment to create true global citizens who are ready to contribute to their respective countries and humankind. SIU offers high quality academic programmes in contemporary disciplines of Management, Law, Computer Studies, Humanities and Social Sciences, Media, Communication and Design, Health Sciences and Engineering. The Symbiosis Innovation and Research Institute initiatives are mentored by Dr. R. A. Mashelkar and many other thought leaders, academicians, scientists and industrialists.

I invite you to experience, explore, learn, play, work and get motivated to meet the challenges to shape your career and future. I hope you will take full advantage to meet the challenges of the new exciting world. Welcome to the Symbiosis family!

Dr. Rajani Gupte

Symbiosis Entrance Test Overview

The Symbiosis Entrance Test (SET) is a common written test for the admission processes at the undergraduate institutes of Symbiosis International University established as under Section 3 of the UGC Act 1956 vide notification No.F.9.12/2001 U.3 of the Govt. of India. In the year 2002 there were 3 constituent institutes of SIU. Subsequently ten more iinstitutes of Symbiosis have been brought under the ambit of the Symbiosis International University vide notification No.F.9.12/2006-U.3 (A).

This is a mandatory written test for the admission process for the undergraduate programmes at the following Symbiosis institutes:-

1. Symbiosis Law School-**[SLS] - Pune**
2. Symbiosis Law School-**[SLS] – NOIDA**
3. Symbiosis Institute of Computers Studies and Research-**[SICSR]**
4. Symbiosis Centre for Management Studies-**[SCMS] – Pune**
5. Symbiosis Center for Media & Communication-**[SCMC]**
6. Symbiosis School of Economics-**[SSE]**
7. Symbiosis Centre for Management Studies-**[SCMS]-NOIDA**
8. Symbiosis Institute of Design-[**SID]**
9. Symbiosis School of Liberal Arts- **[SSLA]**
10. Symbiosis Law School **[SLS]** - **Hyderabad**

The Symbiosis Institute of Technology (SIT) also admits students through JEE Main conducted at the national level.

However, SET is not mandatory for the following:

1) Symbiosis institute of Technology (SIT).
2) Symbiosis Institute of Health Sciences (SIHS).
3) Symbiosis College of Nursing (SCON).
4) Symbiosis School of Photography (SSP).
5) Symbiosis School for Liberal Arts (SSLA):- **(For International Baccalaureate (IB) students are exempt from SET)**

Note: Candidates who are applying to Symbiosis Institute of Technology (SIT) and Symbiosis Institute of Health Sciences (SIHS), Symbiosis School of Nursing (SCON), Symbiosis School for Liberal Arts (SSLA) [for IB students only] and Symbiosis School of Photography (SSP) should visit their websites for further details.

Candidate should note that SET is only the first step. Each Symbiosis institute has its independent selection process.

- The SET-2016 has 5 different papers:-, General, Design, Law, Engineering and Health Sciences.

- The test will be conducted in two sessions, morning and afternoon.

- A candidate may take more than one paper. However, he will have to choose one paper from the morning session and one paper from the afternoon session.

Session and Time	Paper	Institutes
Morning Session 9.30 am to 12.00 noon	**Law**	Symbiosis Law School **[SLS] - Pune** Symbiosis Law School **[SLS] -Noida** Symbiosis Law School **[SLS]- Hyderabad**
	Design	Symbiosis Institute of Design [**SID]**
Afternoon Session 2.30 pm to 5.00 pm	**General**	Symbiosis Institute of Computers Studies and Research **[SICSR]** Symbiosis Centre for Management Studies **[SCMS] - Pune** Symbiosis Center for Media & Communication **[SCMC]** Symbiosis School of Economics **[SSE]** Symbiosis Centre for Management Studies **[SCMS]-Noida** Symbiosis School for Liberal Arts **[SSLA]**
	Engineering	Symbiosis Institute of Technology **[SIT]**
	Health Sciences	Symbiosis Institute of Health Sciences **[SIHS]** Symbiosis College of Nursing **[SCON]**

A candidate aspiring to pursue an undergraduate programme at Symbiosis should carefully follow the actions to be taken in 3 stages mentioned below:

Stage-1: SET Test

- Register online at www.set-test.org
- You may register for one paper in the morning (for example, **Law** or **Design),** and one paper in the afternoon session (for example, **Engineering,General or Health Sciences).**

    For Engineering and Health Sciences, if a candidate applies for seek admission on the basis of test other than SET, he/she need not register for SET; rather he/she may apply directly to the concerned institute.

- You need to upload your latest scanned photograph at the time of registration.
- Follow the instructions for payment of test fee of **Rs. 1500/-** on the SET Website.
- Print **"admit card"** directly from the SET Website from Monday, April 26, 2016 onwards.
- Bring the admit card and a photo identity proof to the test centre. It will be authenticated during the Test. *(Candidates shall preserve the authenticated admit card till the admission processes of the desired Symbiosis institutes are over.)*
- ***If the admit card is lost, no duplicate admit card will be issued***.
- Appear for the test.

Stage-2: Pay online to the desired SIU institutes.

- Candidates can pay to an institute through the SET Website (www.set-test.org).
- Candidates may also pay to the institute through the institute's Website.
- To apply for admission to an institute, a candidate must select for the relevant SET paper. For example, to apply to Symbiosis Law School, pay for Law paper at SET.
- Candidates applying to Symbiosis Institute of Technology (SIT), Symbiosis Institute of Health Sciences (SIHS), Symbiosis College Of Nursing (SCON) with other than SET-2016 score should refer to the respective institute Website and apply.

Stage-3: Attend further selection process of the chosen institutes, if invited.

- Each institute has its own cut-off score, as mentioned in the prospectus.
- The institutes will announce short-listed candidates for the purpose of further selection process.
- The institutes will announce the list of short-listed candidates and the waiting list.
- For learning the details of selection process and schedules, please refer to the Website of respective institute(s).

Important

- Whereas adequate care is taken to ensure that there are no mistakes while reading answer sheets through the scanning machine, there are no provisions or re-evaluation of answer sheets of candidates.
- The scores published by the Symbiosis Test Secretariat shall be final and shall not be subject to any appeal for revaluation.
- The SET score card will be available on the Website for a period of one month from the date of declaration of results, i.e., from Friday, May 20, 2016 to Tuesday, June 21, 2016.
- Those candidates who choose to pay through cash or DD, should ensure the following:

  1. Bank challan for cash payment, (Axis Bank/Indian Bank) or
  2. Demand Draft along with payment advice form for DD payment reaches Symbiosis Test Secretariat by April 26, 2016 at the following address:-

     Symbiosis Test Secretariat
     Symbiosis International University
     Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

  Symbiosis Test Secretariat will not be responsible for non-delivery or any delay on the part of courier/postal services.

- To complete the registration process, a candidates are required to register online for SET Test at www.set-test.org and appear for the test. It is also mandatory to complete the payment process of the preferred institute for preferred programme before the closing date for payment for the institute.

SET Structure

a. **Duration:** The duration for SET is 150 minutes.
b. The SET is an objective test.
c. **Papers**: The SET is conducted in two sessions for a total of FIVE question papers.
   A candidate may choose to apply for one paper in each session.
d. **Institutes**: The constituent institutes use scores of the following details for admission.

The SET is an aptitude test and is objective in nature (for all the papers). Each question presents four options as answers. There is no negative marking for wrong answers.
All sections are mandatory.

Session	SET Paper	No. of Sections	Applicable to Institute	Programme Offered
Morning Session	**Law**	5	**SLS:** Symbiosis Law School - Pune **SLS**: Symbiosis Law School- Noida **SLS**: Symbiosis Law School- Hyderabad	B.A.LL.B B.B.A.LLB

How to Register For SET – 2016?

Step 1. A candidate can register for one paper from the morning session; viz, **Law** or **Design** and one paper from the afternoon session; viz, **General** or **Engineering** or **Health Sciences** Register at www.set-test.org This will generate your SET ID.

For Engineering and Health Sciences, a candidate need not register for SET if he / she wishes to offer scores of entrance tests other than SET such as JEE(Main). Such candidates may apply directly to the preferred institute.

You must to upload your latest scanned photograph (in the required format and size) at the time of online registration.

Step 2. Pay a non-refundable fee of Rs. 1500/- towards the test fee

Candidates have the option of paying through any one of the following five (5) payment methods:

1. **ONLINE PAYMENT THROUGH CREDIT CARD:**

➢ You may pay directly through either Master or Visa card online. Follow the instructions given on the SET Website..

2. **ONLINE PAYMENT THROUGH NET BANKING:**

➢ You may transfer your SET test fee to Symbiosis Test Secretariat account using Net Banking option.

3. **ONLINE PAYMENT THROUGH INDIAN BANK NET BANKING:**

➢ You may pay your SET test fee to Symbiosis Test Secretariat account. You can also pay the application fee for various institutes through Indian Bank Internet Banking option.

4. **CASH:**

➢ This 'Payment Advice' form is presented in three parts. Pay **Rs. 1500/-** in cash at Axis Bank or Indian Bank branches in your city. Refer to the list of branches on the Website. The bank will return two parts of the 'payment advice' form to you. The 'student copy' is your receipt.

➢ Sign the Symbiosis copy of the '**Payment Slip'** form stamped by Axis Bank or Indian Bank and send it to:-

Symbiosis Test Secretariat
Symbiosis International University
Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

5. **DEMAND DRAFT:**

Get a demand draft from any Nationalized Bank in favour of "**Symbiosis Test Secretariat**" payable at Pune.

Choose the mode of Payment as 'DD Payment' in "Make Payment" Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at,

Symbiosis International University
Symbiosis Test Secretariat,
Gram : Lavale, Tal : Mulshi
Dist : Pune- 412115
Phone: +91-020-39116226 / 27

The Symbiosis Test Secretariat will authenticate the payment details and will send you an email confirming the payment. Only after the payment is authenticated, would you be able to view your Admit card.

Note:
Please note that Symbiosis Test Secretariat will not be responsible for non-delivery on any delay on the part of courier / postal services.

It is also mandatory to complete institute payment process of desired institute for desired programme before the closing date of payment of the respective institute.

The SET website allows a facility for payment towards the institutes along with SET 2016 payment. The institutes are as follows:

- Symbiosis Law School **[SLS] - Pune**
- Symbiosis Institute of Computer Studies and Research **[SICSR]**
- Symbiosis Centre for Management Studies [**SCMS] - Pune**
- Symbiosis Institute of Health Sciences. **[SIHS]**
- Symbiosis Institute of Design **[SID]**
- Symbiosis Center for Media & Communication **[SCMC]**
- Symbiosis College of Nursing **[SCON]**
- Symbiosis School of Economics **[SSE]**
- Symbiosis Institute of Technology **[SIT]**
- Symbiosis Law School **[SLS] - NOIDA**
- Symbiosis Centre for Management Studies [**SCMS] – Noida**
- Symbiosis School for Liberal Arts **[SSLA]**
- Symbiosis Law School **[SLS]- Hyderabad**

Step 3. Important instructions regarding Admit Card

1. **The SET Test** Admit Card should be printed from the SET Website [**www.set-test.org**] which will be available from, Tuesday, 26 April 2016 until Saturday, 7 May 2016.
2. Admit Card, along with Photo Identity proof, should be brought to the Test Centre at the time of the test. An acceptable photo identity is any one of the following;
   - Passport
   - Driving license
   - College/ Institute Identity Card
   - Credit card with photograph
   - Voter ID Card
   - Pan Card
   - AADHAR Card (UID)

3. Please ensure that your latest passport-sized coloured photograph is pasted on the Admit Card at the appropriate place before appearing for the test.
4. An authorized person from the Symbiosis International University will verify and authenticate your Admit Card against the photo-id on the test day. Please preserve this authenticated Admit Card for further PI-WAT processes.
5. Candidates should note that an authenticated Admit Card is an important document without which the candidate will not be permitted to appear for further selection processes at SIU. **If the Admit card is lost, a duplicate Admit Card will not be issued**. It should be retained till the admission process is over.

Important
The SET registration fee is non-refundable. Please note that claims for refund of the **SET registration** fee will not be entertained on any account.

At the time of filling the online application form or while appearing for the SET test, any attempt to impersonate or indulge in any other malpractice would automatically disqualify the candidate from admission processes at all under graduate institutes of Symbiosis International University and make the student liable to legal prosecution as per the laws of country.

Every student is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis institutes. Students are cautioned against falling prey to any such assurance/offer by any individual or outside agency.

Test Cities

SET test is conducted in 19 cities. A candidate may choose any one city. The centre and its address will be informed to the candidate on the admit card.

1. Ahmedabad
2. Bengaluru
3. Bhubaneshwar
4. Chandigarh
5. Chennai
6. Delhi
7. Hyderabad
8. Indore
9. Jaipur
10. Kochi
11. Kolhapur
12. Kolkata
13. Kota
14. Lucknow
15. Mumbai
16. Nagpur
17. Nashik
18. Noida
19. Pune

*Symbiosis Test Secretariat reserves the right to change or allot a city other than the one requested by the candidate in the event of the requested city is not being available for any reason.

1. For the **Morning Session (Law and Design Test)**, reach the test centre latest by 8.45 a.m. The test will start at 9.30 a.m.

2. For the **Afternoon Session** (**General, Engineering and Health Sciences Test),** reach the test centre latest by 1:45 p.m. The test procedure will start at 2:30 p.m.

3. Bring the following to the Test Centre:

   a. The SET 2016 admit card: Candidates will not be allowed to appear for the test without the admit card.
   b. Photo identity: Bring any one of the following:

      ➢ Passport
      ➢ Driving license
      ➢ College/Institute identity card
      ➢ Credit card with photograph
      ➢ Voters ID card
      ➢ AADHAR Card (UID Card)

   c. Blue/Black ballpoint pen.

4. Cell phones, calculators, watch calculators, alarm clocks, digital watches with built in calculators/ memory and any other electronic gadgets will not be allowed in the examination hall.

5. Occupy the seat allotted to you by verifying the seat number written on the desk and indicated on your admit card.

6. The Test Invigilator will check your admit card.

7. The test invigilators will instruct you to open the seals of the test booklet 15 minutes before the start of the test.

8. Check immediately to ensure that all the pages of the booklet are in order. In the rare event of the test booklet being defective, bring it to the notice of the invigilator, who will arrange for replacement of test booklet if required.

9. You are not allowed to leave the hall until the test is over and the invigilator collects the Answer Sheets and Test Booklets. You will be allowed to leave the hall only after the Answer Sheets and Test Booklets of all the candidates in your hall have been collected and accounted for.

10. Candidates found using any unfair means will forfeit their chance of being considered for admission and will be debarred from receiving SET scores.

11. Invigilator or Symbiosis Test Secretariat representative will stamp and authenticate your admit card.

    *You are required to preserve this authenticated admit card for further selection processes at individual institutes. Duplicate admit card will not be issued in case original is lost by the candidate.

Undergraduate Institutes of Symbiosis International University

		Bachelor of Business Administration & Bachelor of Laws (B.B.A, LL.B.)

How to pay to Undergraduate Institutes of Symbiosis International University?

You may pay online/offline for admission to an undergraduate institute of the University. The fee is Rs. 1000/- per programme.

There are two options for payment for admission to an institute:

1. **Through the SET Website.**
   While paying SET fees online, a candidate may also pay the fee for admission to the preferred institute.

   Even after closing of the payment for SET, a candidate may still pay through SET website.

2. **Through the institute Website**.
   A candidate may also register separately for SET and pay to an institute. However, SET registration and appearance for the test is mandatory.

   It is important to see that a candidate appears for the appropriate SET paper to seek admission.

   An institute may offer more than one programme. A candidate should ensure that the preferred programme is selected and paid.

   You **cannot** apply to an institute that does not accept the score of the test that you choose to give. For example, if you choose to give the General test only, you cannot apply to SLS. Similarly, if you choose to give the Law test only, you cannot apply to SSE or SCMS or SICSR.

   Similarly, you may give the Design test and the Engineering/ Health Sciences test and also apply to SID, SIT, SIHS and SCON.

After declaration of the SET result, the institute to which you have paid will conduct further selection processes for short-listed candidates. The schedule for the same will be published on the Websites of the institutes.

Reservation Policy

As per the UGC guideline 2006, the reservation policy for all the institutes under the University is as follows:

Within the sanctioned intake

SC - 15 %
ST – 7.5 %
Differently Abled – 3 %

Over and above the intake

Kashmir Migrants – 2 seats per programme
International Students – 15 %

Defence Quota – 5 % for SLS-PUNE and SICSR, SCMS-Pune.

Note: Candidate applying for the above mentioned categories will be required to submit the supporting documents at the time of PI-WAT.

Note: The mechanism and the related process for Personal Interaction and Writing Ability Test (PI-WAT) will be updated soon.

INTERNATIONAL STUDENTS

Symbiosis Centre for International Education takes care of International Students aspiring for admission to the Constituent Institutes of Symbiosis International University.

Categories listed under International Students Admissions:

Foreign National (FN):
A student is eligible to apply as a Foreign National (FN), if he/she holds a foreign passport.

Person of Indian Origin (PIO):
A student is eligible to apply as a Person of Indian Origin (PIO), if he/she has a PIO card, and is a citizen of a country other than India.

Non Resident Indian (NRI):
A student is eligible to apply as a Non Resident Indian (NRI), if he/she has appeared either for the 10 or 10+2 (equivalent to the Indian 10th & 12th) examination outside India.

It is mandatory for the student who falls in the NRI Category and has appeared for 12th in India to appear for the SET TEST.

Symbiosis Law School [SLS - Pune]

Care | Courage | Competence |Collaboration

INTRODUCTION

The Symbiosis Law School, Pune stands for excellence in legal education and is nestled in the city of Pune (popularly described as the *Oxford of the East*, with the glorious heritage of being the capital of the *Peshwas*). The Symbiosis Law School (SLS) Pune, established and enriched by the vision of Padma Bhushan Dr. S.B. Mujumdar, was established in 1977 under the illustrious banner of Symbiosis Society. Since 2002, it has been a constituent of Symbiosis International University, which is accredited by 'NAAC' with 'A' grade. The SLS Pune has continuously ranked amongst the top 10 law schools in India by the *India Today-Nielsen* and *The Week* survey. It was conferred with the prestigious Gold Star Award by the Bar Council of India in February. This stature is attained through its various programmes. It offers five year integrated under graduate programmes such as Bachelor of Arts, Bachelor of Laws [B.A, LL.B (Hons)], Bachelor of Business Administration, and Bachelor of Laws [B.B.A., LL.B (Hons)], B.A/B.B.A LLB, three year LL.B and one year LL.M program. The SLS, Pune, successfully administers 8 different Diploma Programs and 19 Certificate Programs.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education in India and the world including recommendations of the Carnegie Report, USA, combining skill, knowledge and values. These are imparted through multitalented, qualified, competent, and enthusiastic faculty members. These efforts are reciprocated by the participation of all the stakeholders including members of the Bar and Bench, corporate sector and international experts. Impressive international collaborations across UK, US and Europe have brought in the membership of International Association of Law Schools, USA and the Asian Law Institute, Singapore. The SLS, Pune is the only Indian partner of the *Erasmus Mundus* Global Consortium of Law Schools. Since 2008, DAAD, Germany has been funding faculty members and students of SLS Pune for research and exchange programs through the 'New Passage to India' Program with Leibniz University, Hanover, Brunswick European Law School, and Ostfalia University of Applied Sciences, Wolfenbuttel, Germany. Since 2012, Symbiosis Law School, Pune has also been a part of Ontario Maharashtra Goa (OMG) Exchange Program.

The SLS, Pune, endeavors to secure all-round contributions to the betterment of the field of law, to create world class professionals, to produce committed academicians and law reformers, to train justice dispensers, to invigorate community crusaders and to create experts in the field.

Students can avail scholarships such as the SC/ST Top Class Education Scholarships, Ministry of Social Welfare, Govt. of India; State Merit Scholarship; Symbiosis Foundation Scholarships; and 8
other scholarships. They can obtain support, attention, and motivation through the mentor system. The SLS, Pune secured the 11th place in the Mooting Premier League (MPL), sponsored by Herbert Smith.

Freehills, ahead of GNLU, Gandhinagar, NUSRL Ranchi, RGNUL Patiala, NUALS Kochi, Christ University, Bangalore. **Registered Special Top 4 place in VIS Moot, specially invited to H. Smith.**

Vision :-
Promoting international understanding through quality education.

Mission:-
- To inculcate spirit of '*Vasudhaiva Kutumbakam'* (the world is one family)
- To promote ethical and value-based learning
- To inculcate cross cultural sensitization
- To nurture creativity and encourage entrepreneurship
- To promote health and wellness amongst students, staff and community
- To produce thought provoking leaders for the society
- To contribute towards knowledge generation and dissemination
- To foster the spirit of national development
- To develop global competencies amongst students
- To enhance employability and contribute to human resource development
- To install sensitivity amongst the youth towards the community and environment

Symbiosis Institute of Computer Studies and Research [SICSR]

Introduction
The SICSR, celebrating its 30th year is one of the first institutes in Maharashtra to offer high quality computer education.

SICSR aims at building future leaders for the IT industry worldwide by imparting world class IT education to them. We offer state-of-art information technology education for building leading-edge and innovative IT applications. The fundamental principles on which we lean on are to use IT in all that we do so that our students are technology savvy and are practicing what they learn which is the use of IT to solve business problems. Information Technology (IT) is a rapidly changing field where new concepts and technologies are constantly emerging and are leading to the development of new products and innovative applications. Information Technology also plays a vital role in the development of next generation technologies in other disciplines. The IT has become a critical tool for economic, business and social development and will play a pivotal and catalytic role in a Nation's progress. The SICSR is located in the heart of Pune city, and we use the city as both a classroom and a laboratory for learning. Our location, our broad portfolio of academic IT programs, our talented and diverse student body, and our dedicated faculty members work together to create an educational experience that is relevant, enriching, and uniquely Symbiosis.

We offer a complete portfolio of IT education programs, including undergraduate programs Bachelor of Business Administration (Information Technology) and Bachelor of Computer Application, full-time post-graduate programs Master of Business Administration (Information Technology) and Master of Science (Computer Application), Executive MBA(IT) program that meet the particular needs of working professionals.

If you are considering IT education, we invite you to explore Symbiosis Institute of Computer Studies and Research (SICSR).

Vision

Promoting international understanding through quality education

Mission
- To inculcate the spirit of *'Vasudhaiva Kutumbakam'* (the world is one family)
- To contribute towards knowledge generation and dissemination
- To impart ethical and value-based learning
- To foster the spirit of national development
- To cultivate cross-cultural sensitivities
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff & community
- To instil sensitivity towards community and environmental concerns
- To produce thought-provoking leaders for society

Facilities
Hostel facilities
The SICSR has hostel facilities for girls and boys provided by Symbiosis Society. We also provide a database of paying guest accommodation to students in the surrounding area if needed.

Library
The main objective is to provide innovative, responsive and effective services, which will meet the changing needs of the academic community. Our library provides a range of books, periodicals, E-resources and other media at appropriate levels for the need of the students. We have to access the world's best electronic reference databases such as EBSCO and DELNET.

Lab
The SICSR has truly world class, state-of-the-art computer labs which include powerful servers, dedicated Internet and email access, desktop PCs and laser/ all in one laser printers etc. All computers are connected to a 10/100/1000 Mbps network, which in turn is connected to Gigabit Ethernet. For the Internet, there is

24 x 7 connectivity through 2 leased lines with 4 Mbps and 2 Mbps each. The labs are equipped with Hardware Firewall and content filtering tools with latest Antivirus Gateway level Scanning.

Canteen
Our canteen is not only a place to eat but also a place to discuss ideas. It has a mess, which offers vegetarian delicacies and caters to diverse palates. Delicious food is prepared following strict standards of hygiene.

Teaching Aids and Pedagogy
The SICSR's approach to teaching includes a combination of lectures, class discussion, group-work, self-study and has developed e-learning portal using Moodle, for blended learning evaluation and continuous evaluation of students. The SICSR uses blended learning techniques and KirkPatrick techniques.

Health and Medical care and Gym
The Symbiosis Center of Health Care (SCHC) provides an in house, modern, state of art health club and fitness center with a view to facilitate holistic development of mind and body for all-round development of our students. Each student is insured under Mediclaim and Road Traffic Accident Policy.

Our Programmes

The Symbiosis Centre for Management Studies, Pune, set up in the year 2004, is a Department of Symbiosis International University. It provides an ecosystem replete with opportunities to all students for value-based management education, which allows them to seek their inner potential, hone their skills, and culminate into future global managers and responsible citizens. The students here strive to explore, innovate and create throughout their journey at SCMS, Pune.

Vision
> Promoting International understanding through quality education

Mission
- To inculcate spirit of *'Vasudhaiva Kutumbaka*m' (The world is one family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value-based learning
- To foster the spirit of national development
- To inculcate cross cultural sensitization
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, and the staff & community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society

Infrastructure
- Class rooms: The SCMS has spacious classrooms with LCD projector, facility of collar mikes and a public address system. Ours is a fully Wi-Fi enabled campus.
- Computer Laboratory: The institute has a well-equipped computer laboratory, with LCD projector and Internet connectivity, to facilitate the teaching-learning process.
- Library and Reading Room: Our library houses some of the finest collections of management and course specific books, classics, fiction and non- fiction books, periodicals, journals, newspapers, CDs, DVDs, etc. The noteworthy feature is the digital library, which enables access to e-journals, e-books and online databases and catalogs.
- Students' Interaction lounge: The interaction lounge of our centre helps our students to interact freely with our faculty members and extend learning beyond the classroom.
- Placement Cell: In order to carry out the placement related activities for the third year students the college has constituted the Placement Cell.
- Audio Visual Room and Conference Hall: For presentations by corporate representatives during conduct of workshop for placement, or for presentations by faculty and non-teaching staff members we have an Audio Visual Room. For the purpose of conducting meeting/discussions a separate Conference Hall is available.
- Indoor Games room: Indoor games, such as table tennis, carom, chess, scrabble, etc., are available at the institute for the purpose of rejuvenating the students.
- Outdoor sports facility: Outdoor sports facility for playing basketball, volleyball, football and cricket are available within our campus area.
- Music room: A well-equipped music room with all modern wind and string instruments is available for the use of our students.
- Scrollers: Important information is disseminated to the students instantly through scrollers strategically positioned on all the floors.

Canteen, Mess, Hostel and Campus facility

Cafeteria – The campus houses a cafeteria which serves multi-cuisine food.
Mess - The campus has a mess, which serves both vegetarian as well as non-vegetarian breakfast, lunch, evening snacks and dinner.

Hostel – At Present, only girls' hostel facility is available. Hostel has twin/triple bed sharing, well furnished rooms with Wi-Fi facility, hot and cold water facilities throughout the day, attached bath and toilets, generator backup, indoor games/recreations rooms with TV, guest rooms, housekeeping and round-the-clock security. Because of shortage of accommodation facilities, hostel is allotted on the basis of first-come first-serve basis. It is located within a radius of 1 km from the campus.

Convenience store – The campus has an in-house convenience store for access to necessities.

Reprography Centre – The campus has a reprography center which helps students with supply of necessary stationery, photocopying and print facilities.

Gymnasium – The campus has a gym set up with all latest equipment.

Health Care Centre - We have a health care center on campus with one doctor and medical staff. The students use this facility to undergo their health checkup every year.

ATM - Corporation Bank has set up an ATM in the campus for the facility of students, faculty and staff.

Café Coffee Day has installed an outlet on the campus, which serves coffee and, snacks to students.

Programs offered
Bachelor of Business Administration - (BBA)
The BBA program is a full-time, three-year graduation program spread over six semesters, which aims at transforming a student into a socially responsible global corporate citizen. This program with its intensive and updated syllabus and a wide range of additional modules would indeed enable the student to aspire for higher studies in premium business schools in India and abroad.

Cafeteria Approach: The Institute follows a cafeteria curriculum, which was launched successfully from the Academic Year 2011-12. The Cafeteria curriculum has been designed to allow flexibility to the students to take up courses of their choice resulting in the award of a general BBA or BBA with single or dual specialization.

The program comprises is 150 credits with a having a combination of core and elective courses.

The cafeteria approach will encourage and allow students to choose elective courses from across various specializations.

The Institute offers six specializations from the Academic Year 2013–14:

   a. Human Resource Management
   b. Marketing Management
   c. Accounting & Finance
   d. International Business
   e. Environmental Management
   f. Entrepreneurship Management

ACCA - SCMS, Pune has signed an MOU with ACCA (Association of Charted Certified Accountants), UK to offer training to the select students. One Batch at SCMS, Pune, has successfully completed the Diploma in ACCA; and at present, classes are being conducted for a senior (advanced diploma) and a junior (diploma) batch.

Placement Cell
The Placement Cell is an integral part of our institute. Our placement cell has been immensely successful in creating and maintaining a good network across top notch companies in all sectors, thereby ensuring that students are able to avail opportunities for recruitment. The students registering for placements undergo extensive training ranging from career guidance to soft-skill building. This enhances students' confidence helping them perform better at the time of recruitments. Since its inception, SCMS-Pune has seen the presence of many successful companies that have offered our students positions in major domains such as human resources, marketing, consultancy, advertising and finance. Some of the companies that periodically visit our campus for the purpose of offering campus recruitments to our students include KPMG, PWC, Zomato, Food Panda, JLL, UPS, Tresvista, IKYA Global, Grofers, Edelwiess, GPW, Iplace, etc. The placement season for 2015-16 is currently going on. Our alumni through the years, have brought laurels to SCMS as they hold leadership positions in a wide range of making positions organizations.

Methods of Instruction
The Institute strongly believes in interactive learning through lectures, workshops, industrial visits, case studies, project work and field trips, research projects, internships and simulations.

Profile of students

An important principle at Symbiosis is commitment to diversity. The difference in opinions, convictions, economic background, gender, colour and nationality brings life to our campus community and fosters tolerance. The environment causes intellectual churning and therefore brings out the best in our students. The Institute has 180 International students (including Non Resident Indians and Foreign Nationals).

Career Prospects

After completing the program students can pursue higher education in any of the premier management institutes in India or abroad. Students who do not wish to pursue further studies will have placement opportunities in various areas such as Finance, Marketing, Sales, Human Resource Management and Environmental Management. One of our important aims is to capacitate and motivate our students to be budding entrepreneurs.

Eligibility for Admission
Indian Students:
1. Passed XII or equivalent course in any discipline from any recognized Board/ Council/ University with minimum 50% marks for general (open) category and 45% marks for students of SC and ST category.
2. Qualifying the Symbiosis Entrance Test (SET), Personal Interaction and Written Ability Test (PI-WAT) of our Institute.

Indian Students will be admitted on the basis of merit list drawn out of the results of the selection process through SET and PI-WAT.

Symbiosis Institute of Health Sciences (SIHS)

INTRODUCTION OF THE INSTITUTE:

The Symbiosis Institute of Health Sciences (SIHS) is a constituent of the prestigious Symbiosis International University (SIU). The SIHS has conceptualized and implemented a group of professional enhancement programmes meant to equip the healthcare professional with the appropriate tools so that he may survive the present age of fierce competition and specialization. The SIHS encourages symbiosis of thought, word, and action of such professionals who would address the all-important issue of health in its totality. Through its unique, innovative, career oriented programmes, SIHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services.

Vision

Promoting international understanding through quality education.

Mission
- To inculcate spirit of *'Vasudhaiva Kutumbakam'* (The world is one family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value-based learning
- To foster the spirit of national development
- To inculcate cross cultural sensitization
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff and community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society

ACHIEVEMENTS:

Symbiosis Institute of Health Sciences has gained many laurels during the past years. The following are some of them:

The SIHS is a beneficiary of many MOUs signed between SIU and national and international academic institutions such as Public Health Foundation of India (PHFI); Georgia State University (GSU), USA; Chest Research Foundation, Pune; Serum Institute of India; National Aids Research Institute, Pune; Centre for Rheumatic Diseases; Galaxy CARE Laparoscopy Institute, Pune, to promulgate cooperation between the institutes to promote educational research intercultural competence and understanding. The partnership provides opportunities for research through collaborative research projects, conducting conferences, PhD student's deputation, continued guidance to students and faculty, and student visits to their campus for learning and conducting projects.

The Post Graduate Diploma in Emergency Medical Services (PGDEMS) programme is recognized by the Los Angeles Paramedic Training Institute, USA.

Recently PGDEMS programme of Symbiosis Institute of Health Sciences (SIHS) is recognized by Saudi Commission of Health Specialties. Many of our alumni are placed overseas.

The American Heart Association (AHA), USA has conferred upon the institute, the coveted title of an International Training Center (ITC). It is also a recognized "Chapter" of the International Trauma Life Support (ITLS) Organization, USA. This is recognized by the American College of Emergency Physicians (ACEP), USA. Recently SIHS is recognized as approved site for conducting - Advanced Trauma Life Support® (ATLS®) and India Program Course of American College of Surgeons.

The Maharashtra Medical Council (MMC) has accredited SIHS to conduct CME programs/ workshops/ seminars etc. By virtue of this coveted status, faculty members and delegates participating in workshops organized by SIHS will be honored by credits hours from MMC.

The Maharashtra Emergency Medical Services (MEMS) is a project of the Government of Maharashtra-Department of Health, State Health Society under National Rural Health Mission (NRHM). This project will be operational in Public Private Partnership (PPP) with Bharat Vikas Group (BVG) India Ltd. Symbiosis Institute of Health Sciences (SIHS) and United Kingdom Specialist Ambulance Services (UKSAS). Its aim is to provide free emergency medical service to entire population in the state of Maharashtra. In the entire MEMS project SIHS will be academically associated exclusively for training and will not be responsible for ERC or any other operational matter. On 28th June, 2013 Symbiosis Institute of Health Sciences (SIHS) and BVG India signed MOU of academic association and project was officially launched on 1st March, 2014.

The SIHS is also member of Healthcare Sector Skill Council (HSSC) constituted by National Skill Development Corporation and is affiliated with HSSC as a recognized training institute.

Recently SIHS has signed MoU with International Health & Safety Training Centre (IHSTC), Dubai, UAE for conduction ITLS: Advanced Trauma Courses at IHSTC, Dubai, UAE.

STUDENT FACILITIES:

Facilities:

Infrastructure:
SIHS boasts of state-of-the-art infrastructure for its students. All these facilities go a long way in ensuring productive campus life and provide a perfect ambience for academic pursuits.

Classrooms:
All lecture classrooms are well ventilated and equipped with the latest audio-visual facilities.

Library:
The SIHS has a splendid learning resource center with over 3896 books, 07-Journals, 16 Magazines (Print Only), 880 CD, 48 DVDs periodicals and reports. Services included are; Reading Services, Online database Services, Reference Services, Home Lending Services, Photocopy Services, Wi-Fi facility, WEB-OPAC, Emerald, EBSCO, J-STORE and SCOPUS databases are available.

Symbiosis Centre of Health Skills:
Symbiosis Centre for Health Skills (SCHS) is a multidisciplinary educational facility that strives to provide high-tech simulated and virtually created hospital set-up for teaching, training and assessment for all health care professionals in clinical and related management skills.

IT Infrastructure and Resources:

Computer Lab:
Availability of the Computer lab, with free Internet for all the students.

Wi – Fi campus:
Students at SIHS have access to Wi-Fi all across the campus. This enables students to get on the Internet anywhere on campus without the hassle of wires and plug-ins. The campus, is the high-tech face of the new-age SIHS.

Support Services:

Auditorium:
The in-house facilities include a 567-seater modern auditorium and a modern conference hall located at Symbiosis Vishwabhavan.

Mess and Cafeteria:
An all-day on-campus mess and cafeteria ensures refreshments for busy minds.

Accommodation:
For outstation students (men and women) accommodation can be arranged at the Symbiosis Hostel on first-come-first-serve basis.

Career Counselling and Placement Cell:
The SIHS Training and Placement Cell will assist students in enhancing their knowledge and skills to obtain employment in respective industries in the healthcare domains.

Healthcare Facilities:
Symbiosis Centre of Health Care (SCHC): Health and wellness are vital issues related to the academic success of students at Symbiosis. Symbiosis Centre of Health Care, the in-house health care center for the entire Symbiosis family has made a conscientious effort towards the overall development of its staff and students by providing preventive and health promotion programs to enhance optimal health, reduce risk of diseases and injury and promote healthy lifestyle choices. The SCHC, through its daily activities looks after the prevention, control and surveillance of health problems amongst students.

Outdoor and Recreation Facilities:

Gym:
In-house ultra-modern health clubs and recreation and wellness centers have also been established at all SCHC campuses to facilitate holistic development of mind and body of students. Training facilities for strength, endurance, flexibility and cardiovascular fitness, Yoga and meditation are provided through customized capsules suited to the unique requirement of the student population in conformity with their academic curriculum.

ACADEMICS, TRAINING AND PLACEMENT ASSOCIATES OF SIHS:
Kokilaben Dhirubhai Ambani Hospital, Mumbai; Noble Hospital, Pune; Sanjivan Hospital, Pune; Anandpur Charitable Trust's Diagnostic Centre, Chest Research Foundation, Deenanath Mangeshkar Hospital, Janakalyan Blood Bank, Metropolis Laboratories (I) Pvt. Ltd., Poona Hospital & Research Center, Pune; Star Imaging & Research Center, Pune; MMF – Ratna & Joshi Hospitals, N M Wadia Hospital, Pune; National AIDS Research Institute, Oyster & Pearl Hospital, Poona Hospital & Research Centre, Philips Healthcare Pvt. Ltd. ; Siemans Ltd. (Medical Solutions Division), Genworks Ltd. ; GE healthcare Pvt. Ltd.; and many others ……

PROGRAMME PROFILE
Objective: As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing and ever expanding horizon of the health care sector demands formal training programmes in all its allied areas. The diagnostics sector, today is witnessing a tremendous growth in terms of volume and sophistication. With increasing advances and super specialization, the scope for tomorrow's technologists does not remain limited to just routine tests. Advanced complex instrumentation and equipment require technocrats not only to operate but also to care and maintain them as well. These experts have to possess a strong scientific foundation and be able to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained in the technological aspects of medical care with a good scientific foundation will be in a position to competently assist the physician or surgeon, especially in high-tech medical procedures to cater to the health care industry globally.

MARKET NEED and CAREER POTENTIAL:
Well-trained technocrats with a strong scientific foundation make medical technology a challenging and rewarding career. The demand for professionals who can provide diagnostic and therapeutic services has been growing at a much faster pace than the number being trained every year. Students can pick up global careers in hospitals, healthcare and diagnostic sectors, research centres and as application specialists in equipment organizations from the very day they complete the programme successfully.

Career Counseling and Placement Cell:
The SIHS Placement Cell will assist students to obtain employment in respective industries in the healthcare domains.

Alumni Profile

Ms Madhuragauri Shevade	Respiratory Therapist	Completed M.Sc. Respiratory Therapy, Rush University, Chicago, US & Presently working as Respiratory Therapist & Programme Coordinator in Chest Research Foundation, Pune.
Ms. Pooja Chedda	Assistant Director Administration	Oyster & Pearl Hospital, Pune.
Mr. Pankaj Jaiswal	Application Specialist	Siemens Healthcare Pvt. Ltd. , Ahmedabad.
Mr. Pranit Bansode	Respiratory Therapist	Dubai Healthcare City, UAE.
Mr. Swapnil Pawar	MRI Application Specialist	Siemens Healthcare Pvt. Ltd. , Mumbai.
Ms. Anjali Wanzah	Laboratory Manager	Plasma Diagnostics Ltd. , Kenya.
Ms Prajakta Ashok Mahajan	Managing Director Specialty: Clinical Laboratory Technology	Shreepad Hospital & Ceritical Care Centre, Jalgaon.
Ms Karolyn Riwa	Medical Laboratory Scientist	National Health Laboratory Quality Assurance and Training Centre (NHLQATC), **Tanzania**
Mr. Manjush K	Lecturer- Respiratory Therapy, Physiotherapy & Emergency Care	National Guard Health Affairs, Riyadh, **Saudi Arabia**
Mr. Vaibhav Gaikwad	General manager	Healthtech Engineer Pvt. Ltd, Pune.
Mr Kamlesh Ramdhony	Research Assistant	Ministry of Oceanography, **Mauritius**
Ms. Chris Sara Mathew	Lecturer- Respiratory Therapy, Physiotherapy & Emergency Care	National Guard Health Affairs, Riyadh, **Saudi Arabia**
Mr. Sushant Pandhare	Sr. Cardiac Cath Lab Technologist	Hiranandani Hospital, Mumbai.
Mr Hans Ramluggun	Clinical Laboratory Technologist	Apollo Bramwell Hospital, **Mauritius**
Ms. Gayatree Patil	Respiratory Therapist	Poona hospital & research center, Pune.
Mr. Vishnukant Jadhav	Managing Director Specialty: OT and Anaesthesia	Ashraya Rehabilitation and Geriatric care center & Pulmory Function Test Lab Sleep Lab allergy Lab. Wakad Pune
Mr. Shekhar Sudam Pokale	Supervisor, Dialysis Centre	Davita India, Pune.
Ms Vaikhari Hasbnis	Assistant Administrator	Sadhu Vaswani Missions Shanti Clinic, Pune
Ms Jyoti Dubey	Echocardiographer	Madhavbaug Ayurvedic Cardiac Rehabilitation Centre, Panvel, Mumbai
Mr Aayush Kumar	Radiology Specialist	Genworks Pvt. Ltd. (GE), Delhi.
Ms. Mamata Avinash Atre	Dialysis Technologist	Columbia Asia Hospital, Pune
Mr Pratik Gadhe	Cardiac Technologist	Seven Hills Hospital, Mumbai

Mr Swapnil Ghawale	Imaging Technologist	Lilavati Hospital, Mumbai
Ms. Preeti Hanumant Kadam	Respiratory Therapist	Poona Hospital & Research Centre (PHRC), Pune
Mr. Sanjay Ramdin Yadav	Dialysis Technologist	Noble Hospital, Pune
Ms. Anjali Manoj Vyas	Respiratory Therapist	Deenanath Mangeshkar Hospital, Pune
Mr. Deepak Tanwar	Imaging Technologist	Dr. D.Y. Patil Hospital & Research Center, Pimpri, Pune.
Ms. Juhi Desai	Faculty	Symbiosis Institute of Health Sciences, Pune
Mr. Radhakrishnan Nair K.U.	Pursuing Higher Education	M.Sc. Medical Technology (Respiratory Therapy) at Symbiosis International University (SIU), Pune

Bachelor of Science – Medical Technology

SPECIALIZATIONS

The programme offers specializations in the following areas:-

Cardiac Care Technology: The Cardiac Care Technologist is responsible for direct and indirect patient care, haemo-dynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.

Respiratory Therapy: The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.

Dialysis Technology: Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies and technical skills necessary in the field of dialysis.

Imaging Sciences Technology: Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical imaging modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.

Clinical Lab. Technology: Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.

Operation Theatre and Anesthesia Technology: The Operation Theatre and Anesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra and Post-operative procedures.

Medium of Instruction:
The medium of Instruction for all the courses shall be English.

ELIGIBILITY CRITERIA:
Std. XII Pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

Working Professionals:
For the candidates who have educational qualification and work experience in above mentioned specializations, admissions will be given directly to 2nd year subject to approval of the SIU.

Selection Procedure:
Based on marks in XII Std. Science/equivalent examination followed by personal interview.

Symbiosis Entrance Test Examination (SET) score is preferred.

INTAKE: 120 students

Reservations: As per Symbiosis International University norms.

DURATION: 3 years, fulltime

APPLICATION DIRECTLY TO SIHS (after closure of SET registration)

The Prospectus is available at SIHS on payment of Rs.500 by cash or Rs.600/- by post.
Registration Fees for SIHS is Rs. 1000/-.

Payment to be made in CASH or by Demand Draft. The DD to be drawn in favor of 'Symbiosis Institute of Health Sciences (SIHS)', payable at Pune. Kindly mention in capital, your complete name, postal address (with salient landmark) & pin code on reverse of DD & post it to **Symbiosis Institute of Health Sciences (SIHS), Senapati Bapat Road, Pune – 411004**. Fill in the form and submit the completed form along with all requisite certificates & documents (as applicable).
Candidates should submit the prescribed application form duly completed along with attested photocopies of requisite documents.

Important Date:

Last date of submission of filled application form	30th July'2016
Programme commencement	11th August'2016
Payment of 1st installment	At the time of admission.
Last date for payment of 2nd installment	15th October'2016
Convocation	November/December (As per SIU schedule).

*These are tentative dates, subject to change. For regular updates, please log on www.sihspune.org

Introduction to the Institute A constituent of Symbiosis International University, Symbiosis Institute of Design creates an alcove to germinate design thoughts to unleash design knowledge and skills on a prosperous dais.

This dais aims at creating professionals who with their creative impulse get intoxicated within the ecstasy of design finally to participate and contribute to the most vibrant and the competitive race of design.

The work ambience enables one to explore the authentic conventional skills and the ethnic non–conventional skills, with no compromise to lead ahead the rooted traditions of art to grow with the contemporary world of design.

Vision

Promoting international understanding through quality education.

Mission

- To inculcate the spirit of *'Vasudhaiva Kutumbakam'* (The world is one family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value-based learning
- To foster the spirit of national development
- To inculcate cross cultural sensitization
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff members and community
- To instill sensitivity amongst the youth towards community and environment
- To produce thought provoking leaders for the society

Infrastructure/Facilities – Hostel, Library, Lab, Canteen, Club etc.

Campus- The SID is one of the largest design institutes in the country; the campus is spread across an area more than 80,000 sq. The campus of Symbiosis Institute of Design at Viman Nagar houses state of the art design studios, laboratories, workshops, IT infrastructure, rapid prototyping lab, well-equipped class rooms, library, exhibition areas, seminar hall, conference hall etc. The campus also has amphitheater, ultra-modern auditorium and academic plaza for various activities including design shows. The entire campus is Wi-Fi enabled.

Library-Having more than 9310 books related to design, art, craft, graphics, advertising, film and video, animation, furniture, architecture, textile, pattern making, visual merchandising, illustration, jewellery etc., more than 90 national and international periodicals and 9 online journals. A special collection of 'Promostyl' forecast magazines related to fashion, as well as 1065 nos. Audio-Visual material on different topics and subjects. The Library has KOHA software and is using DDC for classification. We have introduced alumni membership as well as corporate membership.

Labs, Studios and Workshops- Well-equipped model making (metal & non-metal) workshops, Clay and Ceramic Studio, Rapid Prototyping and Cintiq Lab, Computer Lab, Digital Instruction Lab, User Experience Lab, Recording and Editing Studio, CAD Lab, Material Library, 2D & 3D Animation Lab, Animation Studios, Photography Lab, Printing Lab, Film and Video Studio, Garment Construction Lab, Pattern Making Lab and Textile Lab.

Student Clubs - To ensure active participate of students in education process, the Photography Club, Sports Club, Animation Club, Sketching Club, Performing Arts Club, Film Club and Graphics Club are active at the Institute. This helps the students to be a part of extracurricular activities and present their talent and managerial skills. The Institute has a policy of funding such club activities.

Common Facilities

Hostel- We have two hostels for girl students 1.5 km away from the Viman nagar campus. Symbiosis Girls Hostel B Wing (Rohan Mithila) with 330 seats capacity has rooms with 'three sharing bases' and Girls Hostel C Wing (Rohan Mithila) with 410 seats has rooms with 'twin sharing basis'. A hostel accommodation is shared with two more institutes on the same campus. Seats are available on "first come first serve" basis only. Dining Hall, hot water supply, generator backup, round the clock security and housekeeping as well as laundry services are provided at the hostels. Cable TV connections and refrigerator are also available as common facility. Girls Hostels are 1.2 km away from the campus and is connected through shuttle bus service from and to the campus. There is no hostel for boys at present.

Symbiosis Viman Nagar Campus has the following facilities:

- Auditorium – State-of-the-art, well-furnished and equipped, fully air-conditioned and has seating capacity of 585. The Auditorium has full capacity generator backup.
- Amphitheatre and Campus Plaza – for recreational activities.
- Canteen – with veg and non-veg menu.
- Juice Bar – fresh juices, shakes, fresh cut fruits, etc.
- Coffee Day Xpress – coffee and snacks
- Corporation Bank ATM
- Sports Ground – for sports / games
- Rangoli Stores – stationery items, FMCG products, art and drawing materials, etc.
- Laundry Facility

Programmes offered:

The Institute offers Bachelor of Design (B. Des) programme in the following disciplines and specializations:

1. Communication Design
   a) Graphic Design
   b) Video Film Design
   c) Animation Film Design
   d) User Experience Design
2. Industrial Design
   a) Product Design
   b) Interior Space Design
3. Fashion Design
4. Fashion Communication

The programme is aimed at creating professionals who can contribute to the highly dynamic and competitive world of design. The approach here is entirely project based. The Institute puts high emphasis on evaluating the students on the basis of continuous performance and projects.

Placement

The last academic year 2014-15 saw a significant growth in terms of placement of our Design students. As on date all our alumni are successfully placed at various esteemed organizations of global repute. A few dynamic students have made it to the Ivy League Design schools (India and abroad) for their coveted Master's degree. There has been stupendous contribution from faculty members and placement cell in making them industry ready by exposing them to various projects, activities, internships, etc.

Today we are proud to see them placed in reputed organizations like few mentioned below.

- Aapna Infotech
- Abil Pune Fashion Week Pvt Ltd
- Acellere Software Pvt Ltd
- Aims Digital Services Pvt Ltd
- AKG Media Pvt Ltd
- Alius Design Pvt Ltd
- Art Company Decor
- Artifex Media
- Atlas Copco (India) Limited
- Beau Mach design
- Broadcast2world
- BuzzFactory
- CampHire
- Cinnamon Design
- CKS Consulting Pvt Ltd
- Click Labs Pvt Ltd
- Clique Media
- Compassites Software Solutions Pvt Ltd
- Craft Design
- Craft UX
- Creo Labs
- Decorbiz India Pvt Ltd
- Deloitte Consulting India Private Limited
- Deltecs InfoTech Pvt Ltd

- Symantec
- TABS100 Pvt Ltd
- Talenthouse Entertainment Pvt Ltd
- Tanaria Apparel Pvt Lt

Method of Instruction

Design is a result of intuition, an outcome of a subconscious thought that leads us to a deeper sense of knowing. We offer four major streamlines: Communication Design, Industrial Design, Fashion Communication and Fashion Design in the form of four years Graduate Degree comprising of eight semesters.

Intuition is a kin to an elongated insight that tells us we are on to something dynamic to face the competitive world of design.

Design also involves reason that assesses problems and analyzes the possibilities for solution. It is the analytical process that relies on method and logic to assess, refine, and verify its various hypotheses. At SID, this reflects in the evaluation methods of the student's project based assignments on the basis of daily performances.

The medium of instruction is English.

Profile of Past Students

The SID alumni community has earned good status in several corporate business houses and renowned design studios. Several enterprising students are proud owners of start-up businesses and a number of them have also gone ahead for PG programs at reputed design schools in India and abroad.

1-Communication Design:

a) **Graphic Design:** The Graphic Design graduates find employment opportunities as Graphic Designers, Brand identity Developers, Logo Designers, Visual Image Developers, Multimedia Developers, Packaging Designers, Typography and Publication Designers and so on in various fields like Advertising, Graphic Design, Communication and Printing Industry and Professions, Audio-Visual Production, UX/UI Design and so on.

b) **User Experience Design:** The UED graduates are placed in leading software companies in the domain of UX & Interaction Design in the role of Interface Designer, User Experience Designer, Web Designer, Mobile Application Interface Designer, Game Designer and so on.

c) **Animation Film Design**: The AFD graduates are working in the areas of Advertising, Experimental Animation, VFX, 2D Animation, 3D Animation, Pre-production and Character Design in Films, Television Channels, Advertising, Marketing, e-Content Development and other related fields.

d) **Video Film Design**: The VFD graduates are working in Film, Television and Advertising Industry as Producers, Director, Assistant Director, Cinematographer and Editors. Many of them are working with Online Media. Some of them are also working independently under their own production units.

2-Industrial Design: The Industrial Design (Product Design) graduates are part of design teams in both large design and manufacturing establishments as well as smaller, independent design firms. They work as part of a larger team, creating products from concepts to drawings to prototypes to taking it into production in the domains of Transportation, White Goods, Furniture and Interior, Engineering Products & Systems, Consumer Goods, Craft based Products, Accessories, Personal User Products, Kitchen Tools and Appliances, New Age Electronics and IT Products & Systems, UX Design, Interaction and so on.

3-Fashion Design: The Fashion Design graduates are working with Fashion, Luxury and Lifestyle Industry as Fashion Designers, Freelance Design Consultants, Stylists, Costume Designers, Fashion Forecasters, Illustrators, Entrepreneurs, Academicians, Fashion Merchandisers and Buyers.

4-Fashion Communication: The Fashion Communication graduates are placed in the Fashion and Lifestyle Industry in the domains of; Trend Forecasting, Fashion Journalism, Public Relations, Visual Merchandising, Fashion Advertising, Style Consultants, Identity Designers for Corporate World and Events Management.

Career prospects etc.

Design is rapidly going through a phase of change and innovation due to increasing consumer demand for preferred utility and comfort. Industrial Design, Communication Design, Fashion Design and Fashion Communication, all these rewarding careers are generating opportunities in the profession galore being having several sectors which need highly skilled and innovative minded professionals. These areas in the industry having great demand, the career at this forte holds an immense scope and potential for skilled and talented individuals with innovative ideas and a creative thought process.

Design thought is iterative. Prototypical forms need to be constructed, assessed, and then reformulated to develop the understanding necessary for the next higher level of solution. This career not only provides one with the satisfaction of seeing ideas manifested into shape and form but also rewards one with recognition. Career counselling advisors assess student's interests, personality, values and skills, and also help them explore career options in design.

Eligibility

Essential:

A candidate must have passed 10+2 (any stream - Science, Commerce, Arts, etc.) or equivalent OR 10+3 diploma approved by State Board of Technical Education with minimum 50% aggregate marks obtained in the final examination to be eligible for the above-mentioned program.

A candidate appearing for the final examination of 10+2 grade or 10+3 Diploma program may also apply provided the results of the examination should have been declared by June of the admission year or prior to be eligible for the above mentioned program.

Desirable:

The candidate should possess creative aptitude and the necessary skills to pursue Design Education as well as adaptability to new situations, which the profession demands.

Candidates with the relevant portfolio would be preferred.

Intake

Sr. No.	Course	Indian Students	International Students	Total
1	Communication Design	70	10	80
2	Industrial design	55	5	60
3	Fashion Design	50	10	60
5	Fashion Communication	25	5	30
	Grand Total	**200**	**30**	**230**

Note: Seats available would be offered strictly on the basis of merit and reservations to the deserving candidates. It is not obligatory for SID to fill all the available seats.

Reservation: As per Symbiosis International University norms.

Important dates related to Institutes:

Activity	Date / Period
Online Registration for SET 2016 at www.set-test.org begins	Feb 03, 2016
Online Registration/Payment to SID at www.sid.edu.in begins	Feb 08, 2016
Last date for online Registration/Payment to SID	May 16, 2016
Last date for receipt of application money by DD along with payment advice at SID	May 18, 2016
Short list of candidates for Studio Test at www.sid.edu.in	May 24, 2016
Studio Test and Personal Interview at SID, Pune	June 1 to June 5, 2016
Declaration of First Merit List	June 08, 2016

Registration period for the First Merit List Candidates	June 09 to June 14, 2016
Last date for Registration to the Programme	June 30, 2016
Commencement of the Programme	July 04, 2016

Note: Candidates on waiting list would be considered for provisional admission strictly in the order of the merit list depending on the number of vacancies after June 14, 2016.

Introduction:
Ranked as India's Best Mass Communication College by the annual surveys for India Today and Nielsen Company in 2013, 2014 & 2015, Symbiosis Centre for Media & Communication (SCMC), has been successful in carving a niche for itself in the field of Media and Communication education since its inception in 2008.

The definition of media has undergone a radical change in recent times. The shift is not merely technological but that of perception of society about media and the awareness of the potential that lies in the active participation in the creation of media. The potential to transform society by challenging and changing the norms constantly, by resorting to the voice that is present within us, to express what is felt and it is this active expression which makes us human.

At SCMC we cohere ideas together and give it powerful voice and a shape. This crystal ball of consciousness has the ability to not only see but also bring a positive change in the future through its continuous evolution. Armed with the technology and brewing creativity of relentless contemplation, we pride ourselves to be the leader in media education. Thus, striving to transcend the apogee reached by us every step of the way.

Through our programme, Bachelor of Arts (Mass Communication), we offer a comprehensive experience through traditional academic learning & research with cyber & experiential learning.

Infrastructure:

Seminar Halls:
These are provided with overhead LCD projectors and public-address systems.

Screening Rooms:
These are acoustically sealed, split air-conditioned mini-auditoriums with wall-to-wall carpeting and provided with overhead LCD projection systems and Dolby / DTS 7.1 surround sound system.

Shooting Floor:
The shooting floor along with a Production Control Room (PCR) is acoustically sealed and air-conditioned. The same is equipped with lighting equipment including Canara overhead moveable lighting grid with cool flood lights, spotlights, Kino lights, shadow casters & light meters. It has multiple digital cameras (Panasonic DVX102, Panasonic AG-AF100 & Canon 5D Mark III with lenses). It also has a Teleprompter for news reading apart from a multi-channel digital audio mixer.

Post-Production Suite & Laboratory:
Four air-conditioned cubicles, as well as a post-production laboratory, are equipped with non-linear edit systems to provide professional level post-production facilities. The same has the following facilities – Four MacPro machines with FCP and 10 iMac machines with Adobe Premier CS5. Additional software includes Adobe after Effects, Adobe Photoshop, & FCE.

Sound Recording Suite & Laboratory:
The air-conditioned and acoustically balanced practical-demo suite has an industry-standard multi-track sound recording and reproduction set-up. It is equipped with audio mixing consoles like Yamaha MG166cx, Xenyx 802, Yamaha MG82cx & Eurorack UB880. The suite also has a pair of powered audio monitors - Yamaha HS80M and two pairs of Yamaha MSP3. Nuendo 5 is the preferred audio software used to record and reproduce recorded audio files here. The laboratory has an additional 10 iMac machines for training.

Photography Studio:
The air-conditioned photography studio combines both manual and digital facilities. It has the latest SLR & DSLR cameras with all types of professional lenses, tripods & other accessories. The studio is equipped with professional studio lights, light meters and other essential lighting equipment apart from a motorised backdrop changer. It also has an iMac with contemporary photo editing software for digital imagery.

Developing & Printing (Dark) Room:

The air-conditioned D&P room is equipped for manual black & white film developing and printing. It has a chemical laboratory for negative film development apart from & enlargers for photo printing.

Computer Laboratory:

The air-conditioned computer laboratory has 40 terminals equipped with Pentium IV processor driven CPUs connected to LCD screens / overhead LCD projector. The laboratory is fully networked and provides high-speed broadband connectivity, with power back-up. A variety of Publishing, Post Production and Design Technology software are available. The entire campus is Wi-Fi enabled. All desktops and server are fully protected with upgraded anti-virus software.

Library:

The library has a well-stocked collection acquired since its inception, and covering a broad span of technical and non-technical subjects pertaining to mass media and communication management. The library is using Koha software which provides instant access facility for any book, by title, author, publisher, or ISBN number. The library also subscribes to a wide assortment of national and international newspapers, magazines and journals, besides some other publications. The library also subscribes to two online databases – TVAD Index and United News of India.

Audio-Visual Library:

The audio-visual library has a comprehensive collection of Indian & foreign classic films, documentaries, radio & television programmes in English, Hindi and other Foreign / Regional languages.

Facilities:

The Viman Nagar Campus is situated inside the city limits, yet far from the absolute chaos of city life. Housed in a building, which won an award* for its design, the campus for the undergraduate media students is well suited to their needs and learning potential.

* AESA (Architect, Engineers and Surveyors Association, Pune) Silver Award 2008 in Non Residential Category

Hostel:

Separate hostels for girls are situated near the campus building.

Recreation:

Health Club & Fitness Center (Gymnasium, Aerobics Floor, Yogshala), Auditorium & Amphitheatre.

Refreshment and dining:

Cafeteria, Canteen & Mess.

Sports:

Soccer, Cricket, Basketball, Volleyball, Throwball, etc.

Programme offered:

BACHELOR OF ARTS (MASS COMMUNICATION)

The full-time programme is spread over a period of three years, and spaced out over six semesters of six months each, incorporating theoretical lectures, hands-on practical sessions, tutorials, classroom presentations, take-home assignments, sporting & cultural events, field trips, study tours, projects, and internships.

Specializations offered:

Journalism in Print, Electronic & Cyber Media
Audio-Visual Production including Radio & Television Production, Advertising & Documentary Film-making and Film Studies
Advertising including Client Servicing, Account Planning, Media and Creative - Copy & Visual
Public Relations including Corporate Communication and Event Management.

Placement / Internship:
Students, in order to supplement classroom learning with on-field exposure generally take up internships between the semesters. As a part of the project module, the students are required to do three development sector internships and two industry internships.

A development sector internship provides students with direct exposure to issues at the grassroot level and provides them with the experience required for sensitised media professionals. Industry internships provide students with direct exposure to the media industry and help them hone their skills and provide them with work experience.

Method of Instruction:
The SCMC is driven by its commitment to providing the industry with skilled and trained media professionals adept in all fields of communication.

The SCMC's method of instructing its students in both the theoretical and practical aspects of mass media & communication management has produced students who not only excel academically but also respond swiftly to professional challenges. Though the medium of instruction is English, certain case studies used by individual resource persons may be in other languages (primarily Hindi).

Profile of Past Students:
Past Students of SCMC are working at organisations like – Aaainaa, Aaj Tak, ABB, Abu Dhabi Film Festival, Accent Infomedia, AgencyDigi, apnafeelings.com, Autumn Worldwide, Awesomeness TV, Babble Fish Productions, Bajaj Allianz General Insurance Company, Barcroft Media, BCCI, Bequrio, Between The Lines, Beyond Dreams Entertainment, Big Synergy Productions, BJP, Bosch, Chrome Pictures, CNBC TV-18, Colston Julian Photography, Contract Advertising, CPI Mediagroup, Cybage Software, Dainik Bhaskar, DDB Mudra Group, DearCinema.com, Dentsu, DNA, Doha Film Institute, Doo Creative, Doordarshan, Durga Das Publications, Early Man Film, Edelman, Eighteen Plus, Encompass, EngageInfomedia, ESPN Star Sports, Everest Web Solutions, Fifth Ring, Film Engineers Company, F16's, Fortune Cookie, FoxyMoron, Glamrs, Glitch, Good Relations, Google, Group M, Happy Creative Services, Headlines Today, Hill Road Media, History Channel, Hope Productions, HT Café, Impact Index, Indian Metal Scene, ¡VAMOS! Symbiosis College Of Nursing (SCON)

Introduction:

Col (Dr) Jayalakshmi Namasivayam Pillai (Retd), an honours degree holder in Nursing from Rajkumari Amrit Kaur College of Nursing, University of Delhi, a post graduate from the same University with specialization in Psychiatric Nursing is presently heading the Department of Nursing at Symbiosis. An Ex-Army officer, a post graduate diploma holder in Hospital and Health Care management from Symbiosis International University has headed College of Nursing, Armed Forces Medical College, Pune, for 4 years, and School of Nursing at Army Hospital Research and Referral, Delhi Cantonment for 3 years. Colonel is with Symbiosis College of Nursing from the time of its inception. She has been awarded Ph.D. from Symbiosis International University in the year 2014.

About the Department: Symbiosis College of Nursing (SCON) was established in the year 2007 with an aim to create leaders in the nursing profession by providing unique, innovative programme that are responsive to the market needs. The SCON is recognized by Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai. The programme offered by SCON ensures numerous career avenues for a graduate and post graduate nurse in the healthcare industry across the world. The SCON is associated with major hospitals of Pune city to provide necessary 'hands-on' clinical and para-clinical experience necessary for the students pursuing hospital based academic programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The overall aim of nursing programme is to prepare a graduate nurse to work as frontline worker in the clinical and community field and educational arena.

Programme: B.Sc. Nursing
Duration – 04 years
Intake: 50 students

Programme: P.B.B.Sc. Nursing
Duration – 02 years
Intake: 60 students

Medium of Instruction: English

Reservation- As per Symbiosis International University norms.

Symbiosis School of Economics [SSE]

Introduction
Founded in 2008, Symbiosis School of Economics (SSE) is a dynamic institution, with a demonstrable record of success, offering both undergraduate and postgraduate programmes in Economics. The curriculum is designed and upgraded periodically to enhance the employability of our graduates in sectors such as public and private enterprises, banking and financial services, government, consulting, academia and NGOs. This very niche Institute seeks to develop intellectual discipline, critical and analytical assessment, which will result in rational thinking, along with an understanding of the need for constrained optimization, and a strong urge to strive towards achieving equilibrium. The SSE tries to achieve these goals in an educational environment committed to excellence and academic freedom. The environment here is disciplined and demanding, at the same time giving plenty of scope for creativity, originality and student initiatives. Unique aspects of the institute are the centers it runs for students. The Centre for Academic Writing offers numerous facilities to students for academic writing whereas the Centre for Quantitative Learning and Applications supports researchers at advanced level.

Vision: - Promoting international understanding through quality education.

Mission:-

- To inculcate spirit of *'Vasudhaiva Kutumbakam'* (The world is one family)
- To promote ethical and value-based learning
- To inculcate cross cultural sensitization
- To nurture creativity and encourage entrepreneurship
- To promote health and wellness amongst students, staff and community
- To produce thought provoking leaders for the society
- To contribute towards knowledge generation and dissemination
- To foster the spirit of national development
- To develop global competencies amongst students
- To enhance employability and contribute to human resource development
- To install sensitivity amongst the youth towards the community and environment

1. **Infrastructure / facilities – Hostel, Library, Lab, Canteen, Club etc.**

   ➢ **The Class-rooms**
   All classrooms are ICT enabled and equipped with LCD projectors and Wi-Fi connection.

   ➢ **Library**
   The library at SSE is continuously being upgraded with books, journals, magazines, periodicals and newspapers. Faculty members and students also have access to the central library, SIU.

   ➢ **Computer Lab**
   The 50 seater computer lab is Wi-Fi enabled with wide-ranging Statistics and Econometrics related software packages.

   ➢ **Canteen**
   The canteen has a wide variety of snacks and meals to choose from and is easily accessible.

   ➢ **Hostel**
   Limited accommodation is available at the boys and girls hostel on the campus. However, the administration office at SSE assists students with information regarding the accommodation available in the hostel.

➤ **Health Care Centre**

Symbiosis Centre for Health Care (SCHC) is an in-house Health Care Centre exclusive for the staff and students. The SCHC has a team of specialist doctors who conduct the (compulsory) annual check-up. Outpatient treatment is provided to the students by the medical officer of SCHC stationed in our campus. Each student is insured under Mediclaim and the Traffic Accident policy.

➤ **Other Facilities**
▪ The campus at Symbiosis School of Economics is Wi-Fi enabled.
▪ A state-of the art auditorium with a seating capacity of more than 500 students
▪ An air-conditioned Seminar/Conference Hall.
▪ A well-equipped gymnasium on the campus.
▪ The campus also has a Reprography centre and a Bank to facilitate the students.

➤ **Clubs**

Students at SSE come from all over the country and abroad, thereby allowing for a remarkable exposure to different cultures, regions, traditions and languages. We have 13 (and counting) exciting clubs brimming with activities. Joining a sports club or a debating society can be a great way to meet new people and is also a fantastic way to become part of the student community at SSE. The Student's Council along with the faculty organizes a number of events throughout the term for the purpose of overall development of students which includes the official college fest "Laissez Faire" as well as other activities.

2. Programmes are offered along with following information,
   a. Placement
   b. Method of Instruction
   c. Profile of Past Students
   d. Career prospects etc

➤ **Programmes offered:** B.Sc. (Economics) Honours and M.Sc. (Economics).

B.Sc. (Economics) Honours is a full time three-year graduation programme, which also offers a wide array of modules not emphasized in traditional economics graduation programs. Accounts and Finance, Environmental Economics, International Relations, Public Policy and Administration, Research Methodology, Business Law etc. are some such subjects. This helps students develop interdisciplinary skills in terms of critical thinking, logical analysis and deep understanding of crucial economic issues. We aim at creating a class of graduates in Economics who would be equipped not only with the strong foundation of economic theory but also with skills required to tackle and analyse the real world business and economic issues.
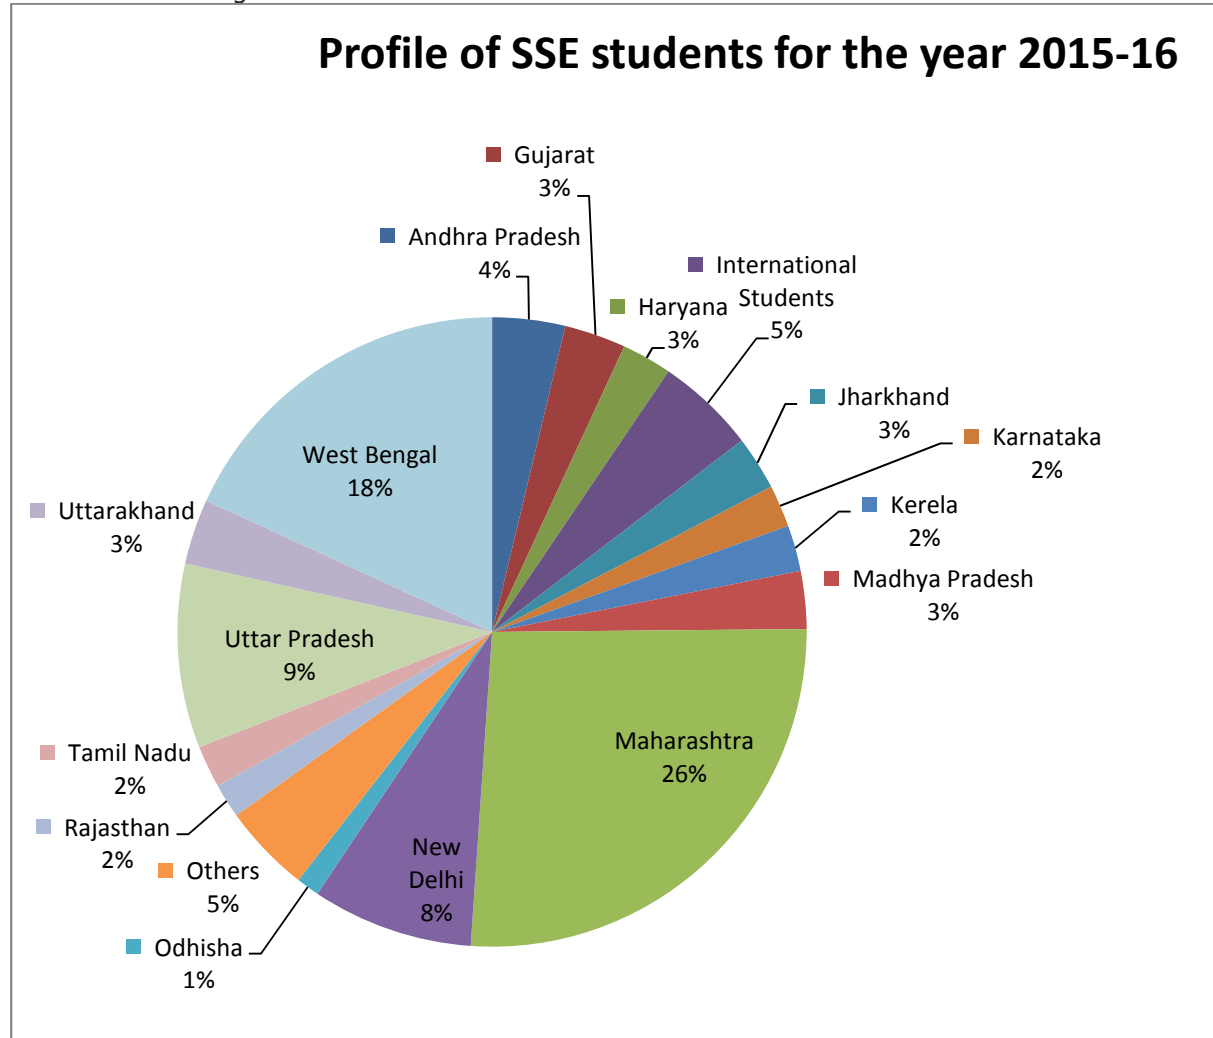

a. Placement.

The Placement Cell at Symbiosis School of Economics works in close coordination with its faculty advisor and provides a platform for students seeking recruitment to interact with possible recruiters on the campus. The SSE has consciously developed, nurtured and forged long-lasting collaborations and relationships with a number of research institutes, corporate firms and NGOs and development agencies. These organizations have offered internships and final placements to our students. It is a conscious effort on the part of SSE to expand the network of association, so as to reflect synergies between the academic training and research/industry needs.

b. Pedagogy (Method of Instruction)

At SSE we have adopted a multi-pedagogical approach .It incorporates lectures, case studies, library assignments, project work, industrial visits, research projects, presentations, conferences and talks given by guest lecturers, and other innovative instruction methodologies. In short, we concentrate on problem based and experiential learning through live projects and fieldwork which are supported by e-learning tools, software and hands-on research.

c. Profile of Past Students.

The SSE students have a pan-India presence with international students coming from more than 10 nations across the globe.

Profile of SSE students for the year 2015-16

- Gujarat 3%
- Andhra Pradesh 4%
- Haryana 3%
- International Students 5%
- Jharkhand 3%
- Karnataka 2%
- Kerela 2%
- Madhya Pradesh 3%
- Maharashtra 26%
- New Delhi 8%
- Odhisha 1%
- Others 5%
- Rajasthan 2%
- Tamil Nadu 2%
- Uttar Pradesh 9%
- West Bengal 18%
- Uttarakhand 3%

d. Career prospects

Students graduating from SSE can look forward to careers in civil services, government funded and private think tanks and institutions, academic institutions, public and private organizations involved with developmental activities, analytics, market research, business intelligence and credit rating as well as financial and economic research.

3. **Eligibility**
   - XII pass from any branch with minimum 50% marks for the general category and 45% for students of SC/ ST category.
   - Qualifying the Symbiosis Entrance Test (SET) and Personal Interaction and Writing Ability Test (PI-WAT) of the School.

4. **Intake.**
   130 Students

5. **Reservation-As per Symbiosis International University norms**.

Introduction:
Symbiosis Institute of Technology, being the flagship Institute of the prestigious Symbiosis International University, has set high standards for itself. The Institute endeavors to provide quality education in line with the requirements of today's competitive industry and rapid developments in technology. The Institute provides an environment conducive for harnessing the potential of faculty members and students through systematic and effective learning, both within and outside the classrooms. The roadmap developed for the institute envisions it to acquire the status of a prestigious Institute of Technology at National level.
Among the initiatives taken to make SIT one of the most sought after Institutes of technical education in the country are the following; recruitment of highly qualified and experienced faculty and their continual professional growth through attending conferences and publications of research papers; regular revision of curriculum in line with fast changing need of industry; employing innovative methods of teaching and providing ample opportunities for learning outside the classroom through projects and tech-fests and cultural programs.

Vision:

 Promoting International understanding through quality education.

Mission
- To inculcate spirit of *'Vasudhaiva Kutumbakam'* (The world is one family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value-based learning
- To foster the spirit of national development
- To inculcate cross cultural sensitization
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff & community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society

Infrastructure/facilities
Hostel, Library, Lab, Canteen, Club, etc: Symbiosis Institute of Technology is located at Lavale on the foot hills in Symbiosis Knowledge Village which also houses Symbiosis International University. State of the art infrastructure includes spacious classrooms with multimedia, well-equipped laboratories, auditorium, seminar rooms, amphi-theatre, conference rooms, canteen and common rooms for students, well-constructed spacious hostels with all necessary amenities, playgrounds, gymnasium, facilities for indoor games like TT, squash, badminton, billiards and a food court, all with round the clock power supply.
Besides the well-developed infrastructure, the pleasant weather of Pune makes stay on the campus, comfortable and conducive for learning.

Programmes offered
- **B.Tech** in Civil Engineering, Computer Science & Engineering , Electronics & Telecommunication Engineering, Information Technology, and Mechanical Engineering (Admissions through SET or JEE-Main)

- **M.Tech** in Computer Aided Design & Manufacture, Computer Science & Engineering, Electronics & Telecommunication Engineering and Geoinformatics & Surveying Technology

- **Ph.D**. Programme (Applied Sciences, Civil Engineering, Computer Science & Engineering, Electronics & Telecommunication Engineering, Information Technology and Mechanical Engineering)

Placement

The Institute has a very well organized placement and training cell. The infrastructure in placement cell includes the following; a seminar hall for conducting pre-placement talks, discussion rooms, interview rooms and other necessary amenities and support. The cell has close contacts with a large number of renowned companies who visit the institute for campus recruitments. All the students of the final year are prepared for campus interviews through special programs on technical and soft skills, which would help them get prestigious jobs. Year 2015, marked the presence of 62 companies including some international Companies like Rakuten (Japan), Roof Care Co.LLC (UAE), Vision international General Trading & contracting Co. W.L.L. Kuwait visited our campus and recruited from all disiplines of B.Tech and M.Tech programmes. The top IT recruiters include : Amdocs, Atos, IBM, Persistent, Syntel, TCS and fortune 500 companies like Amazon, Jabil, Pitney Bowes Software India and Nvidia.

Other reputed companies include 3DPLM, Cummins India, EMCO Limited, Fenesta, Geiseck and Devrient, GKN Driveline, JP Research India, Konecranes, Mahindra vehicle Manufacturing Ltd, OpenSymmetry, Precast Concrete, Pubmatic India, Reflexis systems, Symantec Coorporation, Sandvik Asia, Siemens PLM, Sokrati Technologies, Toyo Engineering India Ltd.

The Placement process of 2016 batch of B.Tech and M.Tech students has begun. Several companies of repute like GOOGLE India, Amazon, Book My show, Directi, Decimal Point Analytics, IBM, L&T Infotech, Persistent, Rakuten (Japan), Symantec and Veritas Software India have already been a part of the process.

Method of Instruction:

 The Institute employs a very effective and interactive teaching-learning process using teaching aids including multimedia. Curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed blow-ups, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a six-month project semester, totally devoted to carring out projects in industry. Students of all under-graduate programs spend six months in the industry, other organizations, renowned institutions and universities, both in India and abroad, as a part of their curriculum. They are encouraged to take up projects in various areas of the industry to augment their theoretical learning. The emphasis during the 'Project Semester' is to expose the students to real life problems in their chosen field of work and finding their solutions, using a systematic and logical approach employing latest tools, techniques and technologies.

All students of SIT can opt for and qualify for a special Diploma in Business Management from Symbiosis Institute of Business Management, a premiere Institute of Management in the country. This arrangement gives the students an insight into basic functions of management like marketing, finance, human resource and operations, in addition to polishing their communication and interpersonal skills. In an effort to create engineers with a multi–faceted skill set and global outlook, students are also encouraged to take courses in other departments under "floating credits". Under this scheme, an engineering student can pursue his interest in the fields of management, liberal arts, photography, etc along with his B. Tech Degree.

Profile of Past Students:

Four batches of B.Tech students have graduated. About 85% of the eligible students opted for campus placements and got them. They are now proud employees of reputed companies like Atos, Forbes Marshall, Infosys, Indian Army, Indian Navy, Kirloskar Brothers Ltd., Mahindra and Mahindra, Marathon Electric, Mu Sigma, Persistant, Pubmatic, Symantec, Synechron, and so on. Many students are pursuing their higher studies in India or abroad. The Alumni Association maintains a data of alumni and remains in regular contact with them.

Career Prospects:

Students of SIT benefit from special programs on entrepreneurship, liberal arts and soft skills aimed at developing all round personality. These programs, along with rigorous technical education and regular interactions with industry through internships and projects, place them at a distinct advantage when they enter the job market. As a result of six-month-long internships and other initiatives the contact with the industry has considerably increased. This is resulting in better career prospects.

Eligibility
Indian Students
Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/Biology/Technical Vocational subject

Obtained at least 45% marks (40% in case of candidate belonging to reserved category) in the above subjects taken together

Good score in an entrance examination like SET (Symbiosis Entrance Test) or JEE-Main conducted in the year 2016

International Students (Foreign Nationals /Non Resident Indians/PIO)
Passed 10+2 examination with Physics, Mathematics as compulsory subjects along with one of the Chemistry/Biotechnology/Biology/Technical vocational subject.

Obtained at least 45% marks (40% in case of candidates belonging to SC/ST category) in the above subjects taken together. Do not have to appear for entrance exam (SET/JEE-Main) in India.
International student's eligibility as per SCIE norms.

Intake
1. Civil Engineering- 60 Seats
2. Computer Science & Engineering- 60 seats
3. Electronics & Telecommunication Engineering- 120 Seats
4. Information Technology- 60 Seats
5. Mechanical Engineering - 120 seats

Reservation of seats – As per Symbiosis International University norms.

SET date	Saturday , May 07, 2016 Morning Session :- 9.30 am to 12.00 noon Afternoon Session :- 2.30 pm to 5.00 pm
SET Result	Friday, May 20, 2016 11.30 am

Symbiosis Law School [SLS], NOIDA

Introduction:

Symbiosis Law School, NOIDA, in just sixth year of its inception, has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International University, it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India. The SLS-NOIDA is strategically located in the industrial hub of NCR thereby opening up a plethora of opportunities for budding lawyers.

The SLS-NOIDA strives towards supplementing reforms in the field of law: to groom students to become the unified face of our legal fraternity, to produce knowledge disseminators and to produce individuals who are the torchbearers of the legal system of the country. Our effort is aimed at producing an intellect that believes in reforming rather than punishing and has the potential of hoisting the flag of truth and justice in an unfailing manner.

The SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Environmental and Social Welfare Cell, Cultural Cell, Sports Cell, Debate Society, Literary Society and International Law Students Association (ILSA) Chapter & Enactus Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

The SLS-NOIDA believes in orienting the student's intellect towards attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty members and the students work together towards creation and dissemination of knowledge. The pedagogy is designed to bring out the best in each student. To add to the experience of the students and the faculty members, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA. The SLS-NOIDA organizes weekly lectures under the banner of 'Extension Lecture Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are instrumental in providing the students with the challenges awaiting them in their career (**To know more visit** http://symlaw.edu.in/extension-lecture**).**

The SLS-NOIDA's strive for 'International Understanding through Quality Education' is proven by its conduct in workshops/seminars/conference/moot court with academic and professional partners of national and international repute which includes**: Panel Discussion on 'Emerging Trends in International Arbitration': November 02, 2015:** In association with International Chamber of Commerce - Young Arbitrators Forum (ICCYAF); **International Conference on 'Changing Dynamics of International Arbitration in India': October 31, 2015:** In association with the Indian International and Domestic Arbitration Centre (IIDAC) and supported by The Three Crowns LLP, London and Shardul Amarchand Mangaldas as "Gold partner" along with A. K. Singh & Co. Advocates, Solicitors and Consultants, New Delhi, India as the 'Knowledge Partner' support the Conference. Other supporting partners of the Conference included UNCITRAL Regional Centre for Asia and the Pacific, Oxford University Press, UNCC India, UNCITRAL National Co-ordination Committee India, Singapore International Arbitration Center (SIAC), The Kuala Lumpur Regional Centre for Arbitration (KLRCA), London Court of International Arbitration (LCIA) India, Indian Arbitration Forum, Indian National Bar Association (INBA); **Workshop on 'Mediation - Alternative Dispute Resolution' by Kim Wright is author of the ABA best-selling book, 'Lawyers as Peacemakers, Practicing Holistic, Problem-Solving Law' [ABA Publishing, April, 2010]: October 23, 2015:** In association with Adab Singh Kapoor Associates and Sai Centre for Socio Legal Action; **Teaching Session on "Competition Law-Intellectual Property Law Interface: Does it Affect Development?": January 15, 2015:** In association with University of Bristol Law School, UK by Dr. Sujitha Subramanian, Lecturer in Law, University of Bristol Law School, UK; **Workshop on Cross Border Legal Work and US Laws**: January 20, 2015: Organised in association with Rainmaker by Dean Ken Randall, CEO/President of iLawVentures, LLB and Former Dean, the University of Alabama School of Law, USA; **Teaching Session on 'Mooting' and 'Corporate Crimes and Finance': January 20, 2015:** Organised in association with Bangor University Law School, Wales, UK: Speakers - Mr. Aled Griffiths, Deputy Dean, Bangor University Law School, Wales-UK and Mr. Stephen Clear, Mooting Skills Coordinator & Part-time Lecturer, Bangor University Law

School, Wales-UK. In addition, it has established mutual cooperation including faculty and student exchange with Institutes/Universities of international repute including **Michigan State University School of Law –USA, Northumbria University School of Law- UK, Berlin School of Law and Economics – Germany** and **Osgoode Hall Law School, York University, Canada (in the pipeline)**. It has also instituted International Law Student Association (ILSA) Chapter in 2013; and Enactus Chapter in 2014. Enactus Symbiosis Law School, NOIDA is proudly associated with Enactus Macquarie University, Sydney in their project 'Asha Ki Kiran' which aims at empowering female acid attack victims by improving their livelihood.

The SLS-NOIDA strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, case analysis/discussions and legal web bases. The learners at SLS-NOIDA are adept at courtroom etiquettes and advocacy skills through courtroom and related exercises such as Moot Court, Mock Trials, Drafting of Pleadings and Client Counselling. (To know more about the achievements, visit http://symlaw.edu.in/achievements-cc/moot-courts). Mooters have, as a result, won several accolades for the Law School including **Mr. Prayank Jain** and **Mr. Shreyas Edupuganti**, Fourth Year Learners, Symbiosis Law School, NOIDA won the '**Best Memorial'** award at **'World Rounds' of The 7th Nelson Mandela World Human Rights Moot Court Competition** held at Office of High Commission of Human Rights (OHCHR) headquarters (UN) in Geneva, Switzerland, in collaboration with the Regional Office of the High Commissioner for Human Rights in Southern Africa (ROSA) from December 8-10, 2015.

Research is the culture on which tomorrow's professionals at SLS-NOIDA thrive. **In 2013-2015,** in total **440** research papers of learners have been accepted for presentation and/or publication at number of National/International Seminars /Conferences/Workshop/Symposiums/ Round Table Conferences. (To know more, visit http://symlaw.edu.in/achievements-cc). In addition, two reports on varied research projects were published and released including **- Interim report on Research Project 'Empirical Study on Implementation of Wildlife Protection Laws in India'** was published and released on August 22, 2015 which includes analysis of Data collected from around two hundred District Courts during the period 1990-2010; from more than one hundred Forest Divisions, from the O/o Chief Conservator of Forests of various states, and from Wildlife Crime Control Bureau and further from 'appeals' that were filed before various High Courts in India and **Impact Assessment Report** of the **Research Project (Empirical) Report - "A Study on Efficacy of Enhanced/Increased Age Prescription for Male Child under Juvenile Justice (Care & Protection of Children) Act, 2000"** which was conducted during April 2012 - February 2013. (To know more about Publications, visit http://symlaw.edu.in/publications)

The SLS-Noida also makes ample use of technology for the benefit of its learners. Called The Curiosity Project, it is the first of its kind where online systems have been used for meaningful administrative automation and improved learning methodologies.

Vision
Promoting international understanding through quality education.

Mission
- To inculcate spirit of *'Vasudhaiva Kutumbakam'* (The world is one family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value based learning
- To foster the spirit of national development
- To inculcate cross-cultural sensitization
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff and the community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society

Infrastructure/Facilities:
Learning is an experience at SLS-NOIDA, supported by its state of the art research support systems and resources enabling learners to pursue excellence in becoming the torchbearers of law.

Lecture Halls:
The SLS-NOIDA has state of the art 24 techno smart and spacious air-conditioned classrooms, fitted with high tech learning aides such as Projectors, Public Address System, Collar Mikes and Wi-Fi facility. The lecture halls are well engineered to reduce noise, efficient ventilation, air-cooling and include as an exterior trellis designed to maximize shade.

Library:
The library supports the dynamically evolving curriculum of Symbiosis Law Programme. It houses traditional print resources including vast collection of books, journals, periodicals and magazines. The fully air-conditioned library is equipped with the best and the most updated electronic sources and technologies. It houses peaceful reading hall, research section for Mooter's Society, Online database search and research, issues and references sections, Book Bank and a compilation room.

It supports and benefits learners through the privilege of **Text book Gifts:** one for each course in every semester for the life time; **Book Bank:** one text book for each course for the semester; **Home Lending:** two books for 07 days; Reference: any number with in campus on library card; **Study Material:** Study material prepared by course in charge/s.

Additionally, it provides technology based learning resource with access to reading material in various forms such as Legal databases (AIR, SCC Online, Manupatra, WestLaw India, HeinOnline, JSTOR, ProQuest, Kluwer Databases (Kluwer Arbitration, Kluwer Patent, and Kluwer Competition), Ebrary, Case Centre, International Taxation – Taxman, Emerald Management e-Journals and EBSCO), Litigation Documents, Moot Court Memorials, Course Books, Research Papers, National and International Journals.

Moreover, *The Library* is an application provided under **Curiosity** where learners can access class notes, presentations and interesting online videos or articles for further study under each of their subjects. This portal is collaborative, so learners (even parents) can share any content they find interesting with each other. As year's pass, this online library keeps growing its database, providing new batches with lots of additional content to supplement their knowledge. The Library is completely open, so students can access content from other subjects or years to satiate their curiosities.

Moot Court Hall
Mooting as an activity aims to inculcate and improve research, presentation and reasoning amongst students so as to equip the budding pleaders with court-room etiquettes, research experience and advocacy skills. This initiative is well supported by a fully air-conditioned, tech-acoustic, and 220 capacity moot court hall equipped with proper judicial settings. Here the presentation and reasoning skills of students are screened and assessed.

Conference Room
The SLS-NOIDA has well-furnished techno-acoustic-supported, and air-conditioned conference room, which can accommodate 50 people. It is widely used for conducting interactive sessions, seminars, and workshops.

Cyber Lab
The SLS-NOIDA campus is a Wi-Fi- enabled campus. It also encompasses three fully air-conditioned states-of-art computer labs with 130 computer systems, all having Core 2 Duo Processors with 2 GB RAM, genuine software packages such as Windows7 Operating System, Microsoft Office 2010 suite controlled through central server room operating on Cyberoam-UTM device. It supports research, training and learning initiative amongst learners by providing access to various online databases including **AIR, SCC Online, LexisNexis, Manupatra, WestLaw India, HeinOnline, JSTOR, ProQuest, Kluwer Databases (Kluwer Arbitration, Kluwer Patent, and Kluwer Competition), Ebrary, Case Centre, International Taxation – Taxman, Emerald Management e-Journals, Case Centre & EBSCO.**

Students' Activity Centre

The SLS-NOIDA believes in strong and positive participation of students in the learning initiatives. It supports and enables students through various cells such Research & Publication Cell; Moot Court Society, Symbiosis Legal Aid Clinic, Training & Placement Cell, Environmental and Social Welfare Cell, Cultural Cell, Sports Cell, Debate Society, Literary Society, International Law Students Association (ILSA Chapter) and Enactus Chapter. Each cell is provided with its own office spaces fitted with all aids including computer, Internet, printers and support systems at all levels.

The Amphitheatre, under Curiosity, tracks official notices and events at the campus. Students can also reach out to each other for projects, games, trips, exchanges, and other such friendly collaborations using the application.

Girls Hostel

The SLS-NOIDA has the much needed girls' hostel facility, on campus-just behind the academic block in the campus (Limited Seats) and also off campus–nearby vicinity being maintained and managed by Symbiosis Society. The residence complex is a model of comfortable living and learning for our students. It consists of spacious living areas with Wi-Fi facility and an *en-suite* bathroom. Common spaces are large, airy and designed for comfort.

Health Services and Health Insurance

The SLS-NOIDA has an excellent Health Center, manned by qualified and experienced doctors to provide emergency health services. All students are covered under a unique and novel medical insurance scheme. Modern and well-equipped gymnasium is currently under construction on the campus.

Programmes Offered

Under Graduate:

BA.LL.B and BBA.LL.B (Five Years Integrated Programme)

Methods of Instruction

English is the medium of instruction at SLS-NOIDA. Methods of instruction include interactive Lectures, Seminars, Group Discussions, Simulations, Plays, Case Studies, Moot Courts, Mock Trials, Small Group Workshops and TV-talk shows. In addition, under the 'Extension Lecture Series' banner, inspirational talks of legal luminaries on weekly basis are regular features.

The Flipped Classroom concept is employed regularly where doubts, questions for general debate, and polls are posed on The Banyan Tree, an application under Curiosity. Learners are encouraged to participate by posing questions or providing opinions. The results are then discussed in the classroom in the presence of the teacher who acts as a moderator. The Flipped Classroom initiative ensures that learning transcends the boundaries of the classroom and can happen at any time using the Internet.

Using Curiosity, Learners can also keep close track of their performance in attendance and tests to keep improving. Such information is also available to *Angels*–parents, guardians, siblings, and mentors who have an interest in a child's progress.

The Method of Assessment

The CGPA method of assessment is followed. In addition to the ongoing internal assessments, an external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and a minimum of two options from the following: Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. External examination is characterized by objective and subjective questions.

Regular surprise tests (online mode) will also be conducted starting from the academic year 2016-17 using Curiosity, where the students have to complete automated quizzes to test and brush up their theoretical and applied knowledge.

Placement

It is mandatory for every student from the first semester itself to undergo training during the winter and summer vacation, record of such daily work is maintained in the Internship diary provided to each student, which is later submitted to the SLS-NOIDA. Throughout the year, the Training and Placement Cell organizes training programmes to offer to the students the best combination of managerial and leadership skills, to inculcate among them the courtroom or office etiquettes, research experience and advocacy skills. The SLS-NOIDA provides these facilities at all levels to assist the students in their efforts related to Internship and placements in offices of Advocates and Solicitors, Corporate and Cooperative houses, Tribunals & Commissions, Non-Governmental Organizations, National & Multinational Corporations, Media, Telecommunications and Entertainment industries and Judicial clerkship. The Training and Placement cell functions throughout the year and remains in touch with the aforesaid establishments through SIU alumni base. A specialized placement application under Curiosity tracks each learner's career related progression in skills and knowledge and helps the cell be efficient in their operations.

Career Outlook

The SLS-NOIDA students are systematized as per the programme structure from the first semester itself to equip them with the right mix of knowledge and skills, to be ready to handle professional challenges. The SLS-NOIDA is in communication conducts diverse programs of teaching, training and placement inside and outside the campus in partnership with the strong global alumni network of SIU.

Eligibility

BA.LL.B and BBA.LL.B (Five Years Integrated Programme)

The candidate should have passed 12th (10+2) standard examination from any government recognized board with minimum **45%** marks (40% for S.C. / S.T. student) in one attempt only (No Compartment / Supplementary). That candidate who has appeared for their H.S.C finals and are awaiting results are also eligible to apply, subject to submission of passing certificate by the notified date.

Applicants who have obtained 10+2 through Open Universities system directly without having any basic qualification are not eligible for the professional Law Courses.

Intake

The total intake is 180 seats, which includes BBA.LL.B - 120 seats and BA.LL.B - 60 seats.

Reservation of Seats-As per Symbiosis International University Norms

Symbiosis Center for Management Studies [SCMS], Noida

Vision:
Promoting international understanding through quality education

Mission:
- To inculcate spirit of *'Vasudhaiva Kutumbakam'* (The world is one family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value-based learning
- To foster the spirit of national development
- To inculcate cross cultural sensitization
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff and community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society

About SCMS - NOIDA
Symbiosis Centre for Management Studies (SCMS) NOIDA, an off campus Institute of Symbiosis International University, Pune began its operations in December 2010. Based in the National Capital Region, it facilitates imparting of quality management education at the graduate level and aims to be one of the best Management Education providers in the region, providing relevant, contemporary and practical education along with core conceptual inputs. The SCMS–NOIDA emphasizes the value of application-based education, to make our students "employable " in the true sense, with strong business education along with life skills.

The SCMS – NOIDA lays strong emphasis on the 3 Rs –Relevance, Research and Re- invention. The Institute strongly believes that academic institutions should not be mere disseminators but also creators of original knowledge. To this end, the Institute promotes and encourages research by students. The Institute also lays great stress on holistic development of students and has several clubs like Marketing Club, Finance Club, HR Club, Dance Club, Drama Club, Debate Club, Photography Club etc., to encourage students to excel overall**.**

The SCMS NOIDA has a strong faculty base with a unique blend of experienced and dynamic faculty members. It also has a very good faculty to student ratio. Using a variety of adult learning based pedagogies. The SCMS-NOIDA utilizes a learning rather than teaching approach. A dynamic, continuous evaluation system ensures that students are kept abreast of relevant contemporary happenings in the market, as well as the syllabus. Projects, assignments, live projects and market research are part of the normal academics. The Institute regularly organizes Seminars and Research Conferences to bring the best of the professional and academic worlds to students. Cultural activities and evenings are a regular feature of the Institute so that, students can study and enjoy at the same time.

Infrastructure/facilities
The Institute is housed in an impressive academic building, with air-conditioned, spacious classrooms, fully equipped with all necessary audio - visual aids. The Academic building is Wi-Fi enabled. A fully equipped gymnasium, facilities for yoga and aerobics, and select ither outdoor / indoor games facilities are present on campus.

Hostel facility:
The hostel is functional and currently houses around 170 girl students. A dedicated hostel for boys has been arranged and around 30 students have been accommodated in the same. Hostels are Wi-Fi enabled.

Computer Laboratory:
A Computer Lab, fully equipped with 45 PCs, Iinternet connectivity and LCD projector is used for practical sessions as well as teaching.

Library and Reading Room:
The library houses a variety of Management and Course specific books, periodicals, journals and newspapers, along with AV CDS and DVDs. Internet facility is available in the library for e – access to journals and databases.

Canteen facility:
Canteen facility is available on the campus with a variety of food items at reasonable prices, in a clean and hygienic environment. Mess facilities are available for girl students staying in the hostel.

Graduate Programmes offered:
The Institute currently offers one 3-year full time BBA degree programme. The same is divided into 6 semesters and offers the following specializations from Academic year 2014-15: Marketing, Human Resource and Financial Management.

From this year, the Institute will also offer a 2-year Advanced Diploma in Business Management, admissions for which will follow a separate process, other than SET.

Pedagogy:
The medium of instruction is English, and the pedagogy includes lectures, PPTs, Case Studies, Practical Assignments, Projects, and Role Plays

Placements:
All eligible students desiring placements have been placed with leading corporate houses. The Institute offers Internship assistance for both 1st year and 2nd Year students, which is an innovative practice of this program. The SCMS–NOIDA also has a tie up with Smollan Services Pvt. Ltd., & Hindustan Field Services (a joint venture of Hindustan Unilever Ltd. and Smollan Holdings of South Africa) for a 1-year intensive internship. Similar tie-ups are in process with other corporates.

Profile of Students:
Students in SCMS – N come from several different states of India; and there are international students from 6 countries.

Eligibility and Intake:
Eligibility is Std. XII pass with minimum 50 % marks (45 % for SC/ ST). Students with conditional passing (compartment yet to be declared) are not eligible for admission. The SET scores are MANDATORY.

INTAKE: 150

Symbiosis School for Liberal Arts – SSLA

Introduction
Established with a mission to nurture students into sensitive, ethical and critically conscious citizens who will contribute responsibly to their communities and society, the Symbiosis School for Liberal Arts (SSLA) strongly believes in the importance of a more comprehensive education as preparation for career advancement and for the exercise of leadership.

The Symbiosis School for Liberal Arts offers students the opportunity to study a four-year full-time Bachelor of Arts (Liberal Arts Degree) or Bachelor of Science (Liberal Arts Degree) programme spanning eight semesters. The liberal arts programme offers students a wide range of courses across all disciplines with the freedom to pick and choose major and minor areas of specialization from areas conventionally considered to be academically incompatible. A student can therefore combine specialisation areas such as Business with Philosophy, Mathematics & Statistics with Anthropology, English with Media Studies, Biology with Computer Studies and many more. These are combinations much needed in the world today.

Mission
The SSLA's learning milieu brings in principles of social justice and responsibility as a necessary part of the academic environment; so that our students celebrate the traditions of learning that integrate knowledge and participatory action.

The world is being dramatically reshaped by scientific and technological innovations, global interdependence, cross-cultural encounters, and changes in the balance of economic and political power. The world in which today's students will make choices and compose lives is one of disruption, rather than certainty, and of interdependence rather than insularity. Based on our experiences with the liberal arts we are convinced that a sound liberal arts education provides a much needed holistic orientation to the world in which we live and will equip students with ideas, analytical and communication skills, and global perspectives, as well as the ability to synthesize knowledge and make informed value judgments. These essential learning outcomes are important for a globally engaged democracy, for a dynamic, innovation-fueled economy, and for the development of individual capacity. A programme of study that helps students develop these capacities is best described as liberal – and liberating – education.

SSLA has the following facilities for its students:
Being part of the same campus as the Symbiosis Law School, SSLA shares all the various facilities that SIU offers.

Library
The SSLA's library is growing rapidly and contains books from various fields, genres and areas of interest. Additionally, students and staff have membership to the nearby British Council Library and the library of the Gokhale Institute of Politics and Economics. They also have access to the libraries of all the other institutes of Symbiosis.

Sports and Fitness
Students have the opportunity to use the sports and fitness facilities available at the various Symbiosis Campuses around Pune. These include a fully equipped fitness gym and a swimming pool in addition to other sporting grounds and facilities. There is a fully equipped Symbiosis gym in the same building as SSLA.

Wi-Fi
The SSLA campus is Wi-Fi enabled and students can access the Internet any time during college hours for educational purposes, research and communication.

Canteen and Mess
Within our campus, students have access to a full-fledged canteen/cafeteria. Most students staying on residence use the mess facility at the Symbiosis hostel. The canteen within the campus serves a variety of snacks, drinks and meals. Students can get lunch, dinner and everything in between.

Programmes offered:

The SSLA's programme is modeled on internationally valued models with relevance to the Indian context. Our programme offers students a wide range of coursework with the freedom to choose a Major and Minors from areas previously considered to be 'academically incompatible'. Guided by this philosophy, SSLA offers students the opportunity to study a 4-year fulltime *Bachelor of Arts* (Liberal Arts Degree) or *Bachelor of Science* (Liberal Arts Degree) programme covered over eight semesters (i.e., 4 years).

Bachelor of Arts (Liberal Arts): Economics, Business Studies, Media Studies, Sociology, English, Psychology, Political Science & Public Policy, Anthropology, Philosophy or International Relations

Bachelor of Science (Liberal Arts): Biology, Mathematics & Statistics, or Computer Studies
Along with the chosen field of specialization, students have to take 18 core courses and 8 electives. During the 8 semesters, the students therefore study: 18 core (compulsory) courses + 8 general (electives) + 1 Minor specialization subject (6 papers) + 1 Major specialization subject (10 papers) along with 1 research dissertation + 1 final year seminar paper + 1 comprehensive 2 month internship + 1 comprehensive 2 month community outreach programme.

Placement

SSLA has a career cell that comprises both students as well as faculty members to carry out programmes which will facilitate the easy progress of SSLA students into a career path of their choice (higher education/placement/social sector) after their last year at the college. Students of SSLA have a mandatory internship as part of their four-year programme. The career cell helps students learn to manage their internship, higher education and placement requirements. It also conducts workshops/ counselling sessions before students make the important choices of their major/minor areas of specialization

Method of Instruction

Learning methodology includes interactive seminars and group discussions, audio-visuals, lectures and guest speakers / experts, visits and workshops, team learning through projects and assignments, and self-learning through library reference and internships. Our students are evaluated on a continuous basis, which includes essays and term papers, projects, weekly activities / assignments, presentations, class participation and case studies. This is all facilitated due to the small classroom size and interactive pedagogy.

Profile of Past Students

SSLA attracts students from all parts of the country and abroad. The current batches have students from UK, Oman, Nepal, Pune, Mumbai, Bangalore, Delhi, Chandigarh, Kolkata and Lucknow, among other places.

Career prospects

Students with a degree in Liberal Arts will graduate with analytical and communication skills, as well as an ability to synthesize knowledge and make informed decisions. For instance, a student with a Major in English and minor in Business Studies, with a position at a leading newspaper, will walk-in with a larger toolbox of skills, knowledge, and abilities than a regular graduate in English. Additionally, students will be well-prepared for the rigours of academic life at a graduate school of their choosing.

The first batch of students graduated from SSLA in June 2016 and is successfully pursuing their areas of interest today. Some students are studying for their masters at renowned institutes such as John Hopkins, New York Film Academy, etc. Others are working at organisations such as Lintas Lowe, Gateway House, Teach for India, etc.

Eligibility

Students graduating 12th from National / State Board and Non Resident Indians (NRI) students appearing for their 12th examinations in India are eligible.
Symbiosis Entrance Test (SET) is mandatory for all applicants.
Foreign Nationals (FN), Persons of Indian Origin (PIO) & NRIs must apply through the Symbiosis Center for International Education (SCIE).
Diploma holders of International Baccalaureate (IB): IB Diploma Students with predicted scores may also apply: IB students are exempt from SET at the time everyone takes it since their final exams

clash with the SET exam dates. They will appear for a SET like examination on the day of their PIWAT at SSLA. They will pay the SET registration fee as do other students.

XII (10+2) pass from any branch with minimum 50% marks for the general category and 45% for students of SC and ST category.

Reservation-As per Symbiosis International University norms.

Intake

Every year, 100 students are invited to join our college + over and above reservation for international students as per SIU policy.

Admission Process (Additional point added by SSLA into Bulletin)
In keeping with the accepted SSLA admissions process from 2012, SSLA has a slightly differing admissions process for International Baccalaureate (IB) students. The details of the SSLA admissions process for regular and for IB students are as given below:

For all Indian Nationals graduating 12th in India:
Symbiosis Entrance Test (SET)
Recommended Test: SET General. However, candidates who have given Law / Design SET will also be considered if they have not given General SET for any reason. However, these applicants will only be considered if they fall in the top 100 of their respective Law / Design SET rankings.
Cut off for General SET will be decided as per the applications that SSLA receives.

SET = 50 Marks (i.e. 50 % of total – which is as per SIU guidelines)
Personal Interaction & Writing Ability Test (PI-WAT)
Both will be conducted on the same day for a particular student.
PI = 30 Marks, WAT = 20 Marks (Total PI-WAT = 50 Marks)
Merit List
SET (50) + PI (30) + WAT (20) = 100 Marks

For International Baccalaureate (IB) students

All IB students are exempt from appearing for the SET on the nationally (May 7th 2016) declared date in keeping with the policy SSLA has been following since 2012. This is because SET clashes with IB exam dates.

Since they do not appear for SET at this time, all IB applicants will be called for PI-WAT. On this day, prior to the PIWAT, all IB students will appear for a SET like examination equal in composition/difficulty as the regular SET examination. They will pay for the SET registration fees. Apart from the personal interaction and writing ability test, these students will be required to sit for a test that will make up for their lack of SET score. This test will count for 50 Marks (i.e. 50% of total) and therefore will be in line with SIU UG admissions guidelines.

Personal Interaction & Writing Ability Test (PI-WAT)
Both will be conducted on the same day for a particular student. As written above, the additional test will also be conducted on the same day.
PI = 30 Marks, WAT = 20 Marks (Total PI-WAT = 50 Marks)
Merit List
IB Students Test (50) + PI (30) + WAT (20) = 100 Marks
Merit Lists will be created in a consolidated manner for IB and Non-IB students. There will be no separate merit list only for IB students.

Symbiosis Law School [SLS], Hyderabad

Introduction:
Symbiosis Law School Hyderabad (SLS-H), since its inception, has remained true to its mission of imparting quality legal education, contributing to the community good through extension activities, faculty and student research, fostering legal development and reform, and cooperating with government, judiciary, corporate and the Bar. This dynamism and quest for excellence in imparting legal education has helped SLS-H to spread its roots firmly in the land of Telangana this is validated by the overwhelming response it receives every year.

The SLS-H provides a fully residential campus away from city pollution with state of the art infrastructure, catering to the needs of the student community. Academic progress of young minds is ensured by qualified and competent teaching staff members through world acclaimed teaching and learning pedagogies including case study method, presentation, seminars, problem solving, movie review, quiz etc. It is further supported by inputs of legal stalwarts from industry and judiciary through workshops, conferences, seminars and guest lectures.

Institutional research culture empowers students to take up research projects to solve legal problems of contemporary nature and thereby innovate and contribute to knowledge creation. In order to give visibility to student research, SLS Hyderabad publishes bi annual in-house student's magazine (INCUBATOR). Strong research culture is reflected through research journal titled BALANCE.
To ensure holistic development of students, SLS-H organizes different activities through co-curricular and extracurricular cells like Moot Court Association, Training & Placement Cell, Research & Publication Cell, Debate & Literary Cell, Website, PR & Media Cell, Sport Cell, Cultural Cell & Centers of Specialization.

It is committed to contributing to the justice mission of the state by initiating *pro-bono* activities to help poor and marginalized people through community lawyering, legal aid and awareness camps and 'Permanent Legal Aid Center'. The SLS-H is pioneer in initiating first-of-its kind 'The Digital Aid Center' to spread digital awareness amongst villagers in nearby villages. The SLS-H has recently inaugurated 'Environmental Law Clinic' at the hands of Adv. M. C. Mehta, Senior Advocate, Supreme Court of India and Environmental Activist to serve environmental justice.

The SLS, Hyderabad offers Bachelor of Arts and Bachelor of Laws (BA LL.B) and Bachelor of Business Administration and Bachelor of Laws (BBA LL. B) five-year integrated undergraduate programmes to cater to the varied needs of legal profession. Curricular enrichment is ensured through the involvement of judges, eminent lawyers, International jurists, industry experts, etc. It provides conducive and competitive learning environment by encouraging students to take part in competitions organized locally and globally.

Vision:
Promoting international understanding through quality education.

Mission:
- To inculcate spirit of *'Vasudhaiva Kutumbakam'* (the world is one family)
- To contribute towards knowledge generation and dissemination
- To promote ethical and value-based learning
- To foster the spirit of national development
- To inculcate cross cultural sensitization
- To develop global competencies amongst students
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff and community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society

Infrascture/Facilities

Hostel:
Symbiosis Law School, Hyderabad is a fully residential campus. There are separate hostels for Boys and Girls with security personnel and e-surveillance. Every hostel room is Wi-Fi enabled, in addition to broadband facility, *en-suit* bathroom, study table, wardrobe and shoe rack. The rooms are especially designed to provide conducive learning environment and comfortable living. Every Hostel building encompasses drinking water facility, common refrigerator, microwave oven, etc. It has common recreational hall with television and play area for in-house games.

Learning Resource Center:
Knowing the importance of library in any institutions teaching-learning process, SLS, Hyderabad has a well-equipped library with vast array of Books, Bare Acts, Journals, Magazine's, Reports, AIR, Supreme Court Case Reporter, Research Compilations, News Paper Cuttings etc. In addition, it facilitates technological-based learning environment by providing access to *Lexis-Nexis*, Manupatra, West-law, SCC Online and other online databases. The library has earmarked a 'Research and Innovation' section for faculty members and students to read, research, and publish articles and research projects. It has a separate section for book lending and book bank facility.

Moot Court Hall:
Moot court is one of the most important simulation activities of student's life cycle. It nurtures their research, analytical, drafting, argumentative skills and helps them to have experiential learning. The SLS, Hyderabad has a grand Moot Court Hall which replicates the real Court Room setup with a seating capacity of 180 to host national and International moot court competitions.

The ICT Learning Resource Center: SLS, Hyderabad has in place an ICT Learning Resource Center for e-research, database access, Lectures, assignments, online exams etc. The ICT lab has 145 seating capacity and it has the following facilities/amenities:
E-database
Computers, Printers, Scanners and Projectors
10 mbps Internet speed with Wi-Fi in classrooms and entire campus
Symbiosis Law School, Hyderabad campus is Wi-Fi enabled.
It also has an Assembly hall and a Multi-purpose hall to house guest lectures of legal stalwarts and functions of the similar kind. The Multipurpose Hall has a seating capacity of 240 students to house small functions. The Assembly Hall has a seating capacity of 140 students for academic and non-academic gatherings.

Canteen:
The SLS, Hyderabad campus has a canteen to cater to the requirements of 1500 students at a time. It offers multi cuisine dishes at a concessional rate. The canteen is equipped with modern amenities to ensure hygiene and balanced diet for students.

Health and Other Recreational Facilities:
The SLS, Hyderabad has a well-equipped Health Center with a residential doctor and a paramedic available all the time. It has an ambulance to cater to emergencies and odd-hour medical needs of students and staff members. Every student is covered under insurance policy. It has a Recreation and Wellness Center which includes a modern gymnasium with equipment of international standards, aerobics room and Yoga Center. The students' physical growth is monitored by a trainer and dietician. In addition, it has extracurricular activity center facilitating indoor games like table tennis, chess, Carom Board, Fuss ball, etc. and outdoor games like Basketball, Volleyball, Football, Cricket etc.

Programmes Offered:
Under Graduate: B.A., L.L.B. and B.B.A., L.L.B. [5 years integrated programmes]

Method of Instruction:
The medium of instruction is English. The methods are essentially learner-centric, which include lectures, Socratic method, field visits, seminars, group discussions, research projects, simulations, case studies, moots, mock trials and ICT-enabled learning by the international guest faculty members and guest sessions by the stalwarts.

Career prospects:
After initial assessment through elaborate psychometric tests, assessment and screening process; the students get training, orientation and experiential learning through systematic internships in industry, High Courts, Supreme Court and Non-Governmental Organizations.

The student can look forward to a meaningful and rewarding career with various options such as Judiciary, Corporate practice, Litigation, Academics, Legal Process Outsourcing, Administrative services, Banks, Legal Departments of Companies in capacities. The SLS, Hyderabad was successful in providing 100% internship to the batch of 2014-19 and 2015-20.

ELIGIBILITY for BA., LL.B & BBA, LL.B
Qualification: The candidate should have passed XII (10+2) examination from any recognized Board with minimum 45% marks (40% for S.C. /S.T. candidates). Students who have appeared for their Standard XII final examination and awaiting results are also eligible to apply, subject to submission of passing certificate at the time of the final admission.

INTAKE
The total intake is 240 seats [Inclusive of 120 seats of BBA, LL.B and 120 seats of BA, LL.B.]
Separate Merit Lists for BBA, LL.B and BA, LL.B programmes will be prepared and published. At the time of SET registration, it shall be mandatory for the candidates to clearly indicate the programme to which they wish to apply (i.e. only one out of the above-mentioned programmes). No request for change of Programme will be entertained at any stage.

Note: It is suggested that those candidates who have studied arts/social sciences subjects for their qualifying examination may apply for BA, LL.B programme. Similarly, those candidates who have studied commerce/accounts/mathematics may apply for BBA, LL.B programme. The candidates are free to make their own choice depending on their ability, interest and opportunity. Please note that these two programmes differ only in First Degree subject (either Humanities OR Business Law) whereas the same Law courses are offered to both the programmes. Graduates in both streams are eligible for diverse legal career and opportunities including Corporate, Lawyering, Civil Services, Advocacy, Judiciary, Academic, International Organization Jobs, and International Admissions etc.
