According to Chandigarh Administration's circular No. 19/1/93/IH (3-99/11136) dated 9th June, 1999, distribution of seats will be as below:

1. **UT Chandigarh Pool (85%):**

85% seats of the total sanctioned intake of an institution will be filled up from amongst the ***students who have passed their qualifying examination from schools/colleges recognized by the Chandigarh Administration and located in the Union Territory, Chandigarh, as regular students of the said school/college.***

In-service candidates:

Employees who are in regular employment with UT Health Department/Department of Medical Education and Research and has completed regular service of five or more years in the concerned discipline in the UT Health Department/Department of Medical Education and Research are In-service candidates.

All candidates who fulfil above mentioned criteria for In-service candidate will be eligible to apply against seats reserved for In-service candidates in UT Chandigarh Pool in the B.Sc. course related to the subject of their experience according to their rank and merit in GCET 2024 irrespective of the fact that whether they fulfil the criteria for UT Chandigarh Pool or not.

In addition, In-service candidates who fulfill the eligibility criteria for UT Chandigarh Pool will also be considered for admission in B.Sc. course related to the subject of their experience only against General/SC/PwD categories according to their eligibility, merit and rank in GCET 2024.

In-service candidate must submit NOC from the employer at the time of submission of application only failing which their application will be rejected.

2. **General Pool (15%):** Remaining 15% seats will be filled from amongst ***students who have passed their qualifying examination from institutions other than those located in the Union Territory, Chandigarh.***

- 3. In both pools, 15%** seats are reserved for Scheduled Castes (SC).**
 - a. To be eligible for UT Chandigarh Pool SC Category, the SC certificate must be issued from the Competent Authority of U.T. Chandigarh.**

- 4. In both pools, 5%** seats are reserved for Persons with Disability (PwD) on horizontal basis.**
 - a. Horizontal reservation cuts across vertical reservation (in what is called interlocking reservation) and candidate selected against the quota for PwDs have to be placed in the appropriate category viz. SC or General depending upon the category to which they belong. candidates applying for admission under the quota reserved for PwD must select whether they belong to SC or General category while filling the application form.
 - b. Only those candidates who have 40% or more disability will be eligible for admission against seats reserved for PwD.
 - c. Disability criteria as prescribed by NMC for admission in undergraduate medical courses would be applicable in respect of all B.Sc. courses except B.Sc. Nursing course
 - d. For B.Sc. Nursing course, INC criteria i.e. disabled candidates with a disability of loco-motor to the tune of 40% to 50% of the lower extremity, will be eligible for admission against seats reserved for PwD.
 - e. Candidate must have claimed his/her eligibility for PwD category while applying for GCET2024 examination.
 - f. SC (PwD) candidate will be eligible for selection against seats reserved for SC (PwD) category and General (PwD) Candidate will be eligible for selection against seats reserved for General (PwD) category. There will be no combined merit list for PwD candidates.
 - g. "Own merit" General (PwD) and SC (PwD) candidates will be eligible for selection against General category seats according to their rank and merit in the combined merit list.
 - h. Criteria c & d will be used to determine medical fitness of the candidates in respective courses.
 - i. Disability Certificate issued by Government Medical College & Hospital, Chandigarh only will be accepted.

****In calculation of percentage of seats for General pool and reserved category(s) in both pools, the figure has been rounded off to lower whole number if decimal point is less than 0.50, and to higher whole number if the decimal point is 0.50 or more.**
